The 1950 BLOCKHOUSE

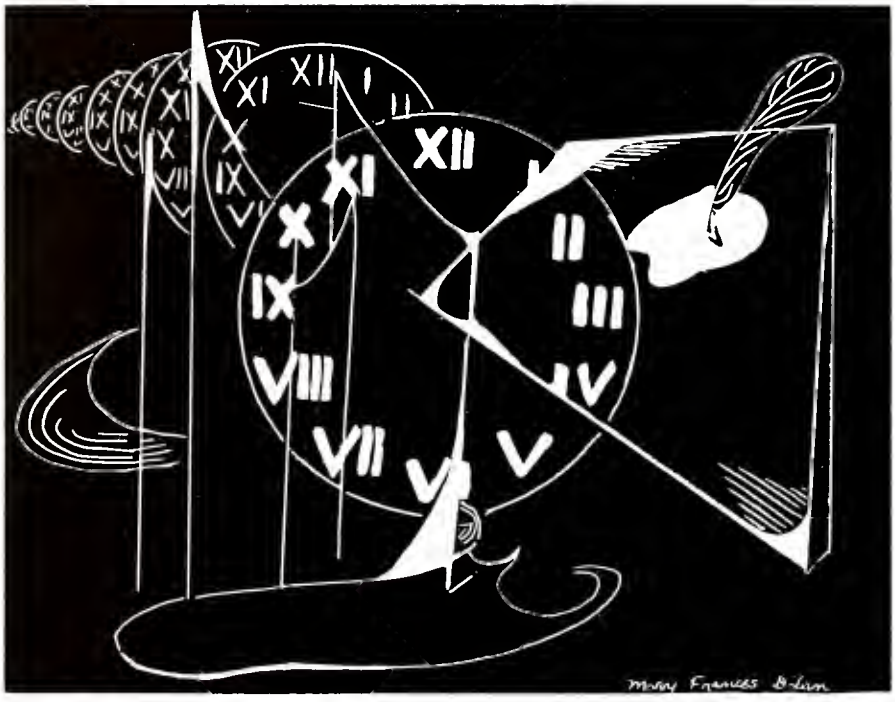
Editor . . . Paul M. Hem

BUSINESS MANAGER

James Ganoom

ADVISOR

William Morris



FOREWORD

The Blockhouse Staff presents this book with the genuine hope that it will be a heart warming link between you and your thoughts and memories that are contained herein . . . This book was compiled, edited and distributed by a group of students who, without journalistic training or thought of reward, strove to preserve the memories of that which lies before you . . . The final judgment of their achievement must come from you, but I shall forever remember them for their tireless effort to fulfill the responsibility of their task and and for their loyalty to this University.

Paul M. Hem
Editor-in-Chief
1950 Blockhouse

DEDICATION

This is the year that the greatest majority of veterans will graduate and therefore it is with the deepest respect and admiration that this book be proudly dedicated to them.

As our theme we have chosen the words *proud* and *bold* to signify the relentless efforts of the veterans not only in time of war, but in time of peace as well.

Congratulations on your graduation from College, and may God continue to give you a proud and prosperous journey through life . . .

PRESIDENT

DR. WILBUR W. WHITE

Dr. White was born in Topeka, Kansas, in 1903 but has spent most of his academic life in Ohio. He was a teacher in Twinsburg, Ohio high school before his graduation from Ohio State University in 1924. After a year as a member of the faculty of Assuit College in Egypt he returned to Ohio to become principal of Alma High School.

After receiving his M.A. and Ph.D. degrees from the University of Chicago in 1935, he joined the faculty of Western Reserve University where he was named dean of the graduate school in 1941. He held this position until his appointment as president of the University of Toledo.

Dr. White served in the State Department in 1943 on special research in the department's postwar planning division. He then headed the army's military government training school at Western Reserve. In 1938 he studied at the Academy of International Law at the Hague during one of his frequent trips to Europe and the Near East.

Dr. White's enthusiasm and hard work have brought fame and much praise to our school. His influence on us as a teacher has been a splendid one, for his creed is kindness; his advice, honesty; his treatment, fair dealing.

ADMINISTRATION

DR. RAYMOND L. CARTER

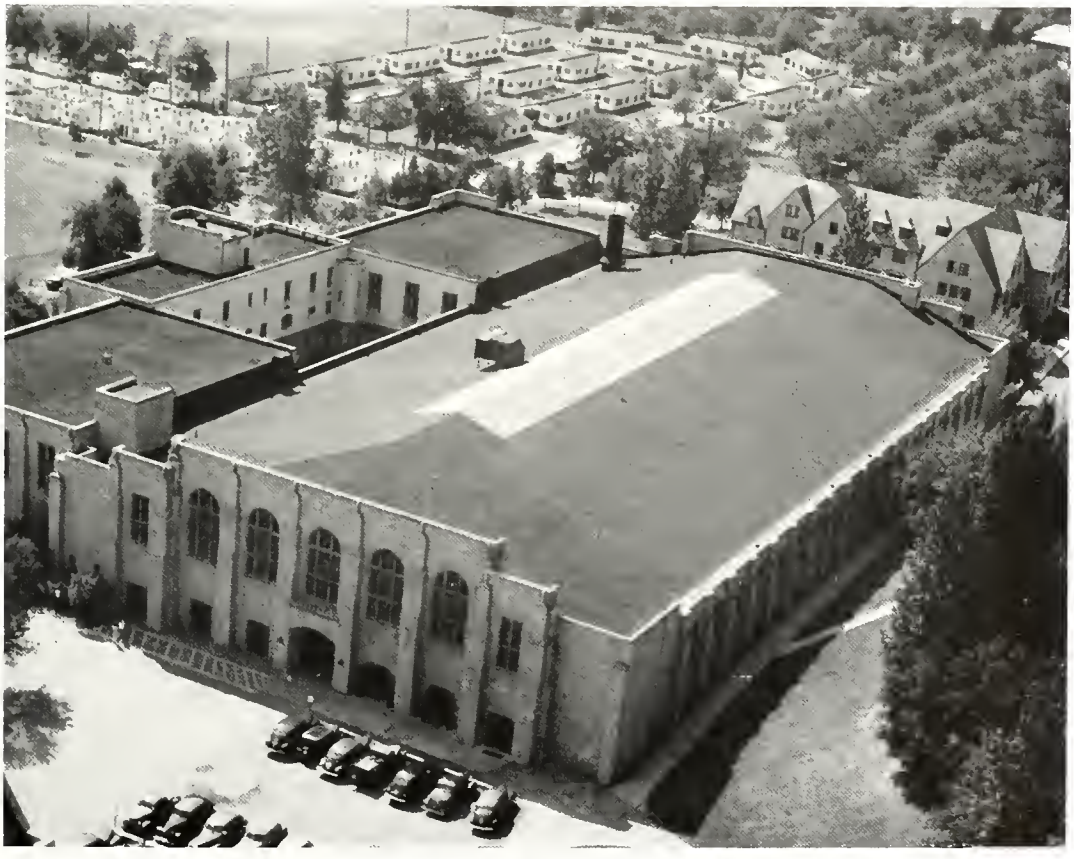
One of the kindliest men on our campus is Dr. Raymond L. Carter, Dean of Administration, second only in importance to Doctor White.

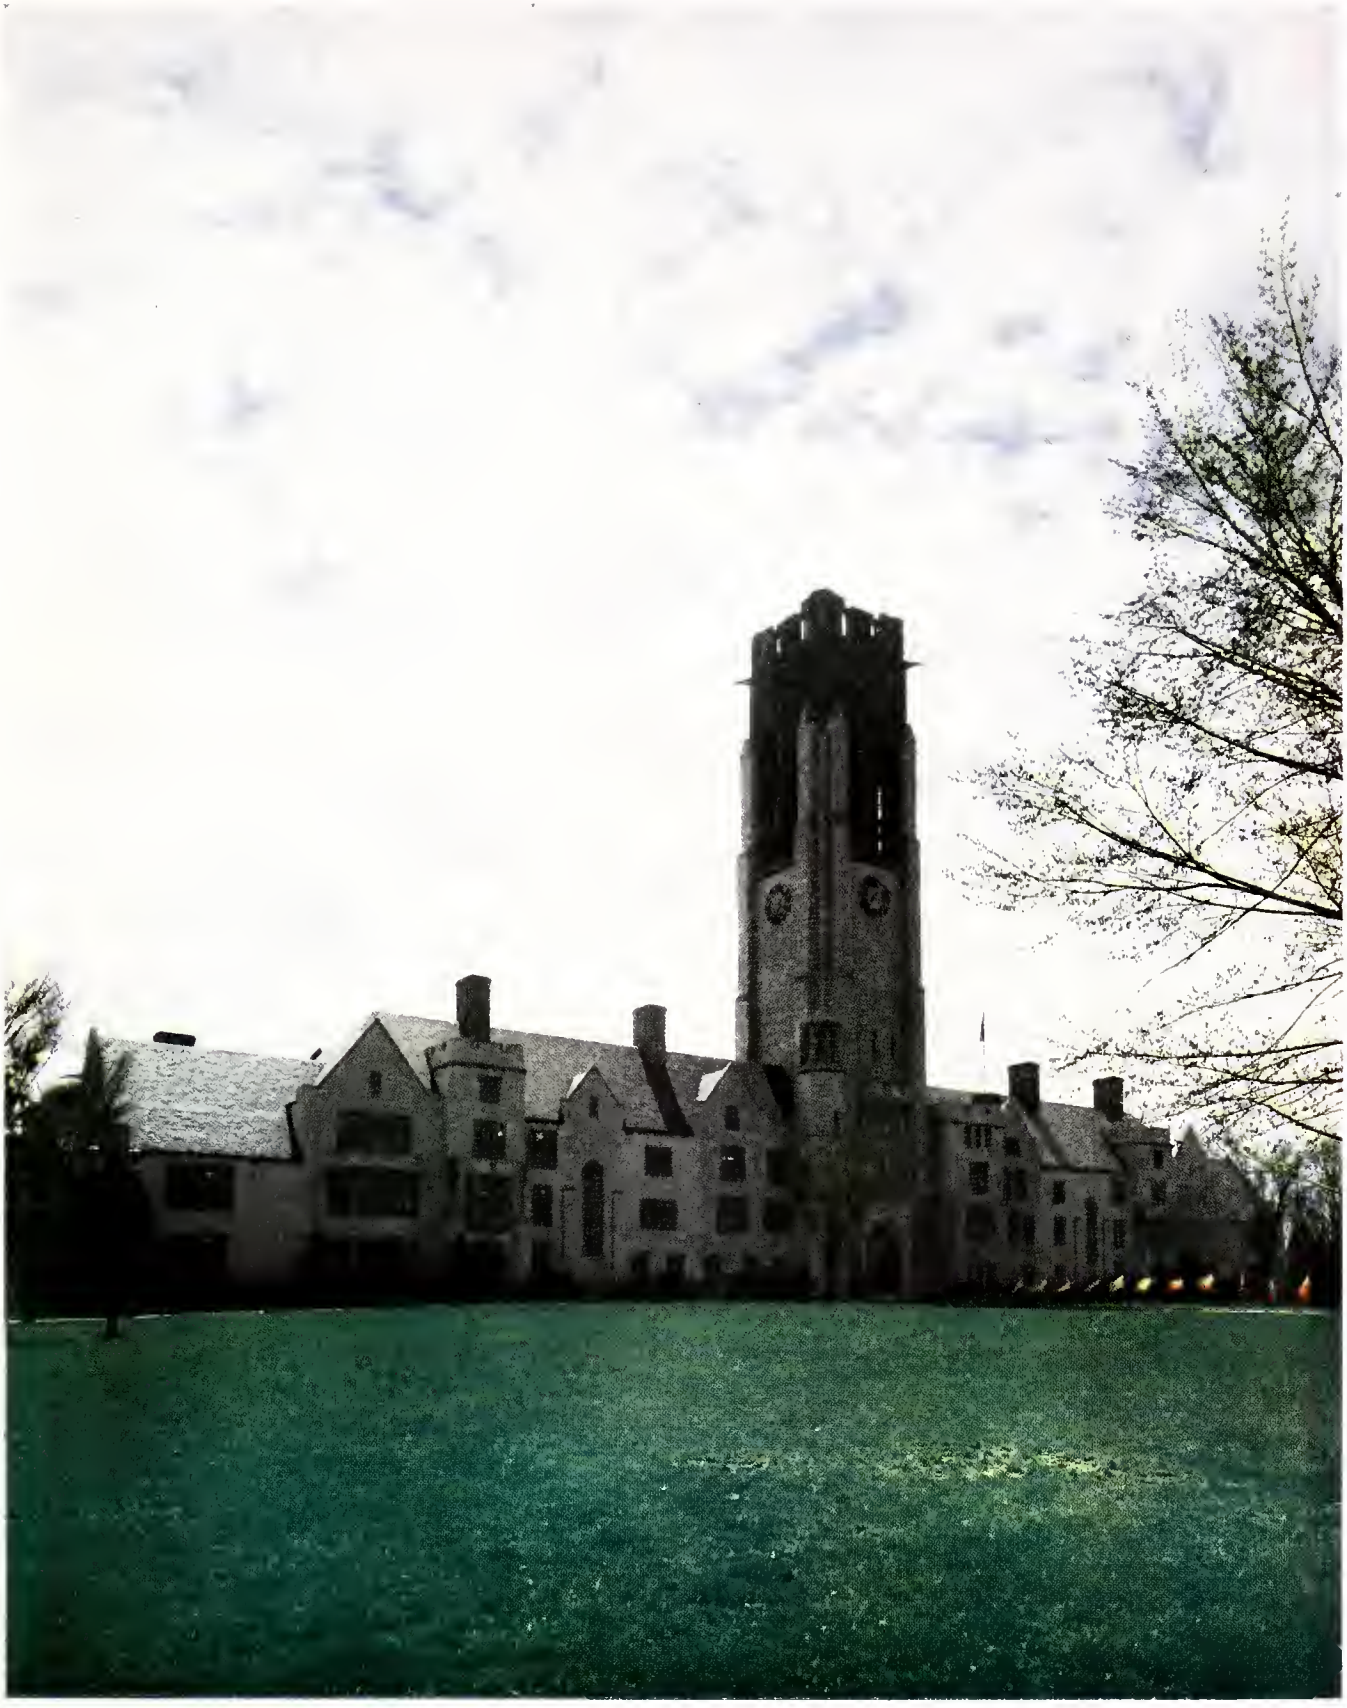
Dean Carter was a very important figure at the most trying part of the University's history. He served for two years as acting president, just when many veterans were returning and it was necessary to adjust the University to handle a double enrollment.

Dean Carter supervised the building of the "barracks" so familiar to all of us, and with his influence a half-million dollars worth of scientific equipment was purchased for a small amount from the government. During that time, the stadium was changed to the Glass Bowl, insulation was added to the once cold press box, and the field lighting was improved immensely. The R.O.T.C. was put into effect and this move has helped many needy students to come to school who might otherwise have had to go to work and forget about college.

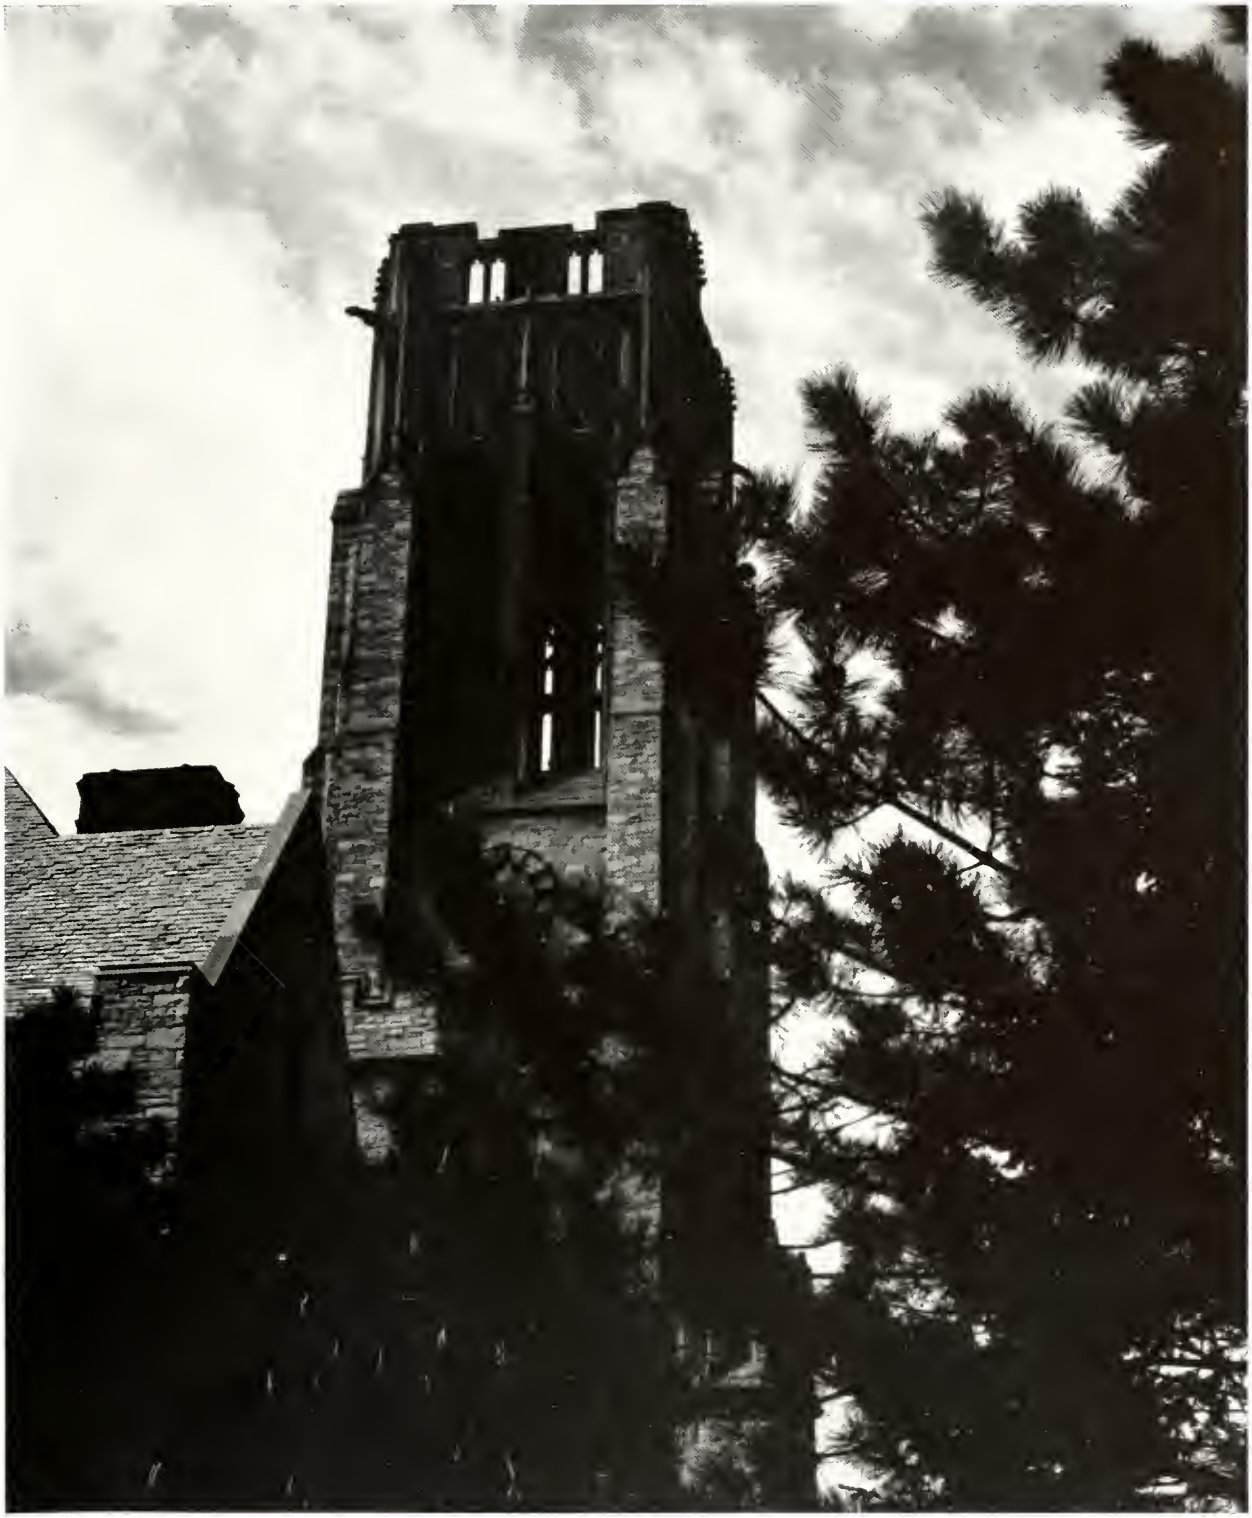
So much unrest was noticeable during this era, also. New living quarters had to be set up for veterans and their families; we changed from recruiting our students from high schools to recruting from the adults. Yet, not one qualified person from Toledo, or its vicinity was refused. Our faculty increased from 70 persons to nearly 200, overnight.

Still, all this time, Dean Carter, with his grand personality, remained unperturbed and undaunted. He continually led the University onward, while carrying on his regular duties of administration, running the information office, in charge of mimeographing, and all his various duties. For this, and continuous service, for so many years, we all salute Dean Carter, and his office.





University Hall



COLLEGE *of* ARTS • SCIENCES

DR. ANDREW J. TOWNSEND

With the largest enrollment of any college at the University under him, Dr. Townsend has more than his share of problems. Always attempting to better the scholastic standings of the college he has added two new teachers in the last year and has six on leave of absence performing graduate work.

Under his guidance, the college aims to provide its students with a background of knowledge and interest in the chief fields of human thought and achievement, so as to make for more perfect living in their professional or business lives, in their leisure time, and in their civic responsibilities. In the first two years there is a period of indoctrination to the broad fields with which the educated person should be acquainted. In the last two years more specialized courses are pursued.

There are provided in addition to the general work of the college, facilities for predental, pre-medical, and pre-law work. With the aid of a Personnel Director, an attempt is made to help each student in orienting himself to his college life, in selecting his college program wisely, and in choosing his vocation intelligently.

COLLEGE OF BUSINESS ADMINISTRATION

DR. CLAIR K. SEARLES

The training offered by the College of Business Administration is intended to prepare students for responsible executive, supervisory, and technical positions in the varied fields of modern business, and also in such other activities as public enterprises, non-business organizations, and government agencies where the fundamentals of organization, policy formation, supervision, finance, accounting, office management, and selling to the public are essential. Recently both the curriculum and the course content have been revised to emphasize training for management and operation of our economy in the post-war period.

The College of Business Administration aims to prepare students to go out in the business world with a broad liberal background, a keen appreciation of the social economic world in which they are to live and work and with a knowledge and skill in specialized fields.

While its program is essentially professional in nature, it emphasizes a fundamental background in the liberal arts. With the capable supervision of Dr. Searls its work is coordinated with the other schools of the University so that students have the advantage not only of the specialized business curriculum, but also of the courses offered in arts, sciences, education, law and engineering.

COLLEGE OF EDUCATION

DEAN DAVID W. HENRY

The College of Education aims to prepare its students for teaching in the public schools. Keeping close contact with the elementary and secondary schools of Toledo and its vicinity, it attempts to raise the professional standards in teaching by selecting as candidates for teaching those best fitted for the profession, by giving adequate training to those entering the career of teaching, and by offering opportunity for improvement for those already in service.

Students desiring to major in the field of art are provided the opportunity to study at the internationally famous Toledo Museum of Art where they may specialize in drawing, designing, painting, and art appreciation. The physical education department offers to both men and women courses leading to state certificates in physical education and theory and practice of coaching.

A teacher placement bureau is maintained for the convenience of administrators who may desire services of qualified candidates. Graduates and students of the college are invited to register with the placement service which makes a serious effort to bring to the attention of school executives the students who wish to obtain positions.

COLLEGE OF ENGINEERING

DEAN JOHN B. BRANDEBERRY

The basic purpose of the College of Engineering is to prepare men in science and technology and to broaden their general education to fit them for service as professional engineers. Under the directorship of Dr. Brandeberry the college offers a curriculum composed of three main groups of subjects including not only those fundamental sciences and the technical courses of the students' individual specialties and cognate fields, but also a sequence of humanistic-social courses. With this plan a broad foundation is laid in the sciences and humanities. Approximately two-thirds of the work of the curriculum is required; however, each curriculum provides a group of elective courses toward the end of the undergraduate program, so that the student may further concentrate in the field of his choice. The program has the approval of the Council for Engineer's Professional Development.

Specialization in the fields of Aeronautical Engineering, Chemical Engineering, Civil Engineering, Electrical Engineering, Glass Technology, Industrial Engineering, Mechanical Engineering, or Physics and Mathematics is permitted so that a student's motivating interest in a special field may be maintained.

COLLEGE OF LAW

DEAN CHARLES W. FORNOFF

With the confidant directorship of Dean Charles W. Fornoff, a revised curriculum of the law school was put into effect this year. It provides for a basic schedule of 8 hours of work per semester and classes on three nights a week, which will run through eight semesters of work and three to eight summer sessions. The purpose of setting up the school in this fashion is to give students a good opportunity to do a thorough and complete job on the courses as they go along. Revision of curriculum also permits the inclusion of additional courses of work such as Taxation, Labor Law, and such basic studies as Restitution and Mortgages. A new course to help bridge the gap between case book work and the activities of practice is Legal Draftmanship.

Current discussion centers about giving the college quarters in the new library building. The plan is to put the offices and classrooms on the third floor of the new university structure. The space must be a compact unit, for at present the rooms are too far apart.

The law library, which is the largest single collective of one type of book in the University library, has been carefully and expertly expanded by both purchases and gifts and is now one of the finest in this part of the country.

COLLEGE OF PHARMACY

DR. CHARLES W. LARWOOD

The College of Pharmacy holds membership in the American Association of Colleges of Pharmacy; is recognized as an institution in good standing by the State Board of Pharmacy of Ohio; and is accredited by the American Council on Pharmaceutical Education. The curriculum prepares the student for employment as a pharmacist (after passing the State Board of Pharmacy) as a pharmaceutical chemist for manufacturers, as a representative for one of these companies, and for graduate work in pharmacy and the allied fields.

There are four well equipped laboratories, offices, a research laboratory, and a dispensing laboratory all designed especially for the study of pharmacy. In the dispensary each student has an individual desk fully equipped with apparatus and materials. Beautiful and functional displays of current materials are constructed by students to increase their familiarity with certain fields.

A chapter of the international honorary pharmaceutical fraternity, Kappa Psi, is maintained on campus. The local chapter, Beta Lambda, was organized in 1925. There is also a local woman's honorary society, Kappa Gamma which was established in 1915.

DEANS

DR. CARTER—Dean of Administration

Class schedules, commencements, high school days, direction of the Junior College and summer sessions all come under the supervision of Dr. Carter. In his work as adviser to Arx, men's honorary, he has shown himself to be a modest, sincere and gracious helper.

KATHRYN SCHWAB—Dean of Women

Kathryn Schwab, dean of women in the University, has endeared herself to the hearts of all students and faculty who know her.

She is active on many committees for the betterment of our school's standing, both academically and socially. Her many jobs include Chairman of Social Affairs, Adviser to Peppers, Women's Honorary Organization, Adviser to the Fine Arts Club, and to Pan-Hellenic Council. Throughout all the arduous hours of her administrative duties, Dean Schwab works earnestly and devotedly to promote the spiritual and intellectual development of every one. She is an example of kindness, fairness, and broadminded understanding.

DR. PARKS—Dean of Men

The study and problems of young men are Dr. Parks' profession and avocation, and there are few people at the University who have not felt his splendid influence. Besides his duties as Dean of Men, he is Director of Personnel and advisor to Inter-Fraternity Council.

LIBRARY

MRS. MARY GILLHAM

The University of Toledo Library has grown out of all proportion to the usual rate of growth shown by University Libraries. Research has shown that University Libraries usually double their book collections in sixteen to twenty years. The University of Toledo Library has quadrupled its collection in the last fourteen years. This rapid increase to 152,000 bound volumes has created serious problems in housing both the books and students. The entire University personnel is looking forward to the new Library Building, plans for which were made by the Library Building Committee under the able chairmanship of Mrs. Gillham.

In addition to its bound volumes, the University Library has many other resources. Some of them are: 38,574 pamphlets; 9,046 unbound government documents; 755 current periodicals are received regularly.

It has now become possible to offer a course in American Biography at the University because of the excellent resources of the John Burke McMahon Memorial Collection in this field. During the past year a number of gift volumes have been received by the Library in memory of individual Toledoans who have died. Such gifts are welcomed because they benefit the living both now and in the future.

The Senior Class of 1949 presented a recordak film reader to the Library as a class memorial. This gift has been exceedingly worthwhile and is in great demand. The Library received regularly the New York Times and the Toledo Blade on microfilm, the latter being the gift of the Blade. It is probable that several microfilm readers will be needed in the new library.

The University Library is growing in usefulness as well as size and is in fact "The Heart of the University of Toledo." We should all be grateful to Mary Gillham for the excellent service provided by the Library in spite of the poor physical conditions under which it must now operate.

OFFICE OF REGISTRAR

HAZEL D. GEINER

The function of the Registrar's office is enforcement and interpretation of faculty and administrative rules concerning registration and grades. Miss Geiner has worked out a system of registration by appointment which eliminates the endless, long lines which formerly congested hallways during January and September. She supervises a staff of ten regular employees, plus extra, competent student help during rush periods.

Among the varied duties of her office are evaluating the records of military experience, keeping attendance records of the entire student body, determining the standing of transfer students, and distributing grade reports. Under this last heading comes the well-known "unsat" slip.

Miss Geiner has been with the University from the time it was twenty-second in size of enrollment in Ohio until the present when it is sixth. She has served under eight different University Presidents. A wizard at dealing with all types of people, she is recognized by one and all as being most capable.

Alpha Sigma Phi, corresponding secretary, L.F.C.; University Theatre, box office chr., executive committee, publicity, stage and electrical crews; Blockhouse, panel editor, interstaff co-ordinator; Campus Collegian, reporter; Motion Picture Club Committee, president; Chemical Soc.; Elections Committee; Bonfire Committee, chr.; Newman Club.

FAY, HAROLD A.—B.E.

FEAK, MARY JO—B. of Ed. Pi Beta Phi; Y.W.C.A.; W.A.A., freshman representative, head of hockey; Marilyn Riehl hockey trophy; Christmas Formal Committee; Coed Sports Night Committee; May Day Dance Committee; Newman Club; Campus Collegian, staff writer.

FEDDERKE, JACK J.—B.S.C.E. Engineering Soc.; Chemical Soc.; Lutheran Students Assoc.; Dorm M Club; MacKinnon Hall Club, vice president; Chemical Engineering Soc.

FELLMAN, IRVING H., JR.—Ph.B.

FENADY, ANDREW—B.B.A.

FERRANTE, KENNETH M.—B.S. Amer. Pharmaceutical Assoc.; Kappa Psi.

FERRIS, SAMUEL—B.S. Honor Soc.; Alpha Epsilon Delta.

FIKE, HAROLD—B.A.

FILSINGER, WILLIAM CARL—B.S. German Club, treasurer; Beta Beta Beta, historian; Alpha Epsilon Delta; Men's Glee Club; Chorus.

FINN, LAWRENCE R.—B.S.M.E. Engineering Soc.; Ohio Soc. Professional Engineers.

FITZGERALD, LEO G.—B. of Ed.

FLICKINGER, DALE B., JR.—B.S. Alpha Phi Omega, corresponding secretary, vice president; Alpha Epsilon Delta, secretary; Chemical Soc.; Biological Soc.; Y.M.C.A.; German Club.

FLOWERS, WALLACE J.—B.S. Ohio Soc. Professional Engineers.

FORD, GERALD M.—B.S.E.E. Electrical Engineering Soc.; Wesleyan Club; Y.M.C.A.

FOUSSIANES, BASIL C.—L.L.B.

FOWLER, JOHN—B.S.M.E. Engineering Soc.; Intramural League.

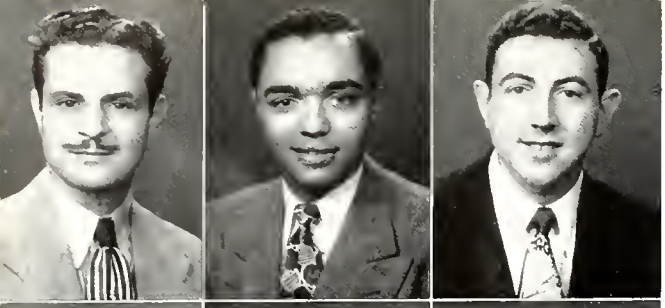
FRANK, EDYTHE RUTH—B.S. Sigma Pi Delta, treasurer; Kappa Gamma, vice president; Amer. Pharmaceutical Assoc.

FRANK, JACK—L.L.B. Lambda Chi.

FRANKLIN, ROBERT V., JR.—L.L.B. Student Bar Assoc.

FRECK, MERRILL D.—B.S. Rocket Band; Symphonic Band; Dorm M Club; MacKinnon Hall Club; Wesleyan Club.

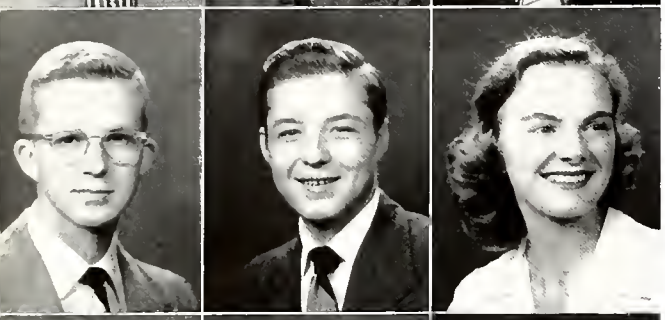
FREDERICK, JUDSON G.—B.S.M.E. Alpha Sigma Phi; Ohio Soc. Professional Engineers.



FREIMARK, ROBERT M.—B. of Ed. Fine Arts Club; University Theatre.

FRENCH, EDWARD B.—B.A.

FRIEDMAN, JOSEPH—B.S.



FUERST, JAMES R.—B.S. Phi Kappa Chi; Newman Club; Golf.

GABRIEL, GARY E.—B.A. Chi Beta Chi; Pi Gamma Mu; Phi Alpha Theta.

GALLUP, CAROL JEAN—B.A. Chi Omega; Y.W.C.A.; Psychology Club; Red Cross; International Relations Club; Lutheran Student Assoc.; Blockhouse.

GANNAWAY, EDWIN—B.E.

GANSKE, KINGSTON E.—B.E. Alpha Phi Omega; Honor Soc.; Ohio Soc. Professional Engineers.

GARTZ, CLARENCE A., JR.—B.S.C.E. Phi Kappa Chi, secretary, president; Chemical Soc.; Chemical Engineering Soc.; Homecoming, co-chr.

GASS, ROBERT C.—B.E. Institute Aeronautical Sciences; Ohio Soc. Professional Engineers.

GAYNOR, LOUIS E.—B.S.M.E.

GEISLAND, JACQUELYN—B. of Ed.

GERKEN, BETTY—B.E. Delta Delta Delta; Student Council; Newman Club; Elementary Ed. Club; W.A.A.; Kappa Delta Pi.

GERMAN, RICHARD D.—B.S. Chemical Soc., vice president.

GERST, THEONE—B.A. Zeta Tau Alpha, vice president; W.A.A.; Y.W.C.A.; W.S.S.F.; Ellen H. Richards Club; Elementary Ed. Club; Senior Class vice president.

GERWIN, PAUL R.—B.S.—Amer. Pharmaceutical Assoc.

GETTEL, RODERICK—B.S. Order of Delta Tau, vice president; Y.M.C.A.; Chemical Soc.

GIBSON, GEORGE FOSTER—B.B.A. Chi Rho Nu; Y.M.C.A.

GILLESPIE, ROBERT P.—B.S.M.E.

GILLOOLY, ROBERT W.—B.B.A. Alpha Sigma Phi.

GOECKERMAN, WALTER—B.B.A.

GOFF, PATRICK J.—B.E. Alpha Sigma Phi, president; Amer. Soc. Civil Engineers; Blockhouse.

GOFFE, HARRY—B. of Ed. Alpha Phi Omega.

GOLDBERG, DONALD MARTIN—B.S.

GOLDBERG, EUGENE S.—B.B.A. Lambda Chi; Fine Arts Club; Orchestra, treasurer.

GOLDSMITH, ALLEN R.—B.B.A.

GOOD, LAWRENCE D.—B. of Ed. Dramatic Assoc.; Y.M.C.A., secretary; MacKinnon Hall Club; Business Ad. Club; F.T.A.

GOOD, LeROY F.—B.S.C.E. Amer. Chemical Soc.

GORSUCH, PATRICIA E.—B.S. Y.W.C.A.; Psychology Club; Sigma Mu Tau; Beta Beta Beta; International Relations Club.

GOTTA, ROBERT—B. of Ed.

GRAY, JAMES G.—B.B.A. Varsity T Club; Basketball; Business Ad. Club; MacKinnon Hall Club.

GREEN, GEORGE W.—B.B.A.

GREENBERG, PHILIP S.—B.S. Lambda Chi, corresponding secretary, vice president; Chemical Soc.; Homecoming Dance Committee.

GREENLER, ROBERT J.—B.S.M.E. Alpha Gamma Upsilon; Ohio Soc. Professional Engineers.

GREWE, MRS. LILLIAN THILARIK—B. of Ed. Dramatic Assoc.; Ellen H. Richards Club; Sigma Alpha Omega; Kappa Delta Pi.

GROCOTT, VIRGINIA—B. of Ed. Chi Omega; Y.W.C.A.; W.A.A.; Red Cross; Republican Club; Amer. Chemical Soc.

GROSS, SUZANNE I.—B.S. Zeta Tau Alpha, secretary; Sigma Mu Tau, secretary; Y.W.C.A.; Biology Club; F.T.A.

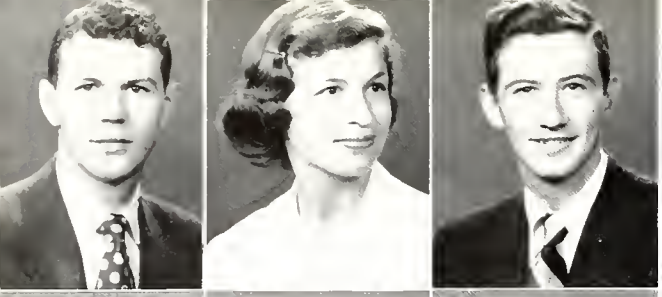
GROSS, WILLIAM J.—B.S.C.E. Ohio Soc. Professional Engineers.

GROTHJAN, ROSALYN L.—B.A. Alpha Omicron Pi, historian-reporter, recording secretary; Newman Club; W.A.A.; Republican Club; Glass Bowl Queen's Court; May Day Committee.

GURTZ, HENRY CHARLES—B.E. Electrical Engineering Soc.; Ohio Soc. Professional Engineers; Sigma Rho Tau.

HAAS, ALFRED—B.B.A. Veterans Club; Y.M.C.A.; Newman Club; Business Ad. Club; Soc. Advancement Management.

HAAS, WILLIAM L.—B.B.A. Newman Club; Business Ad. Club; Alpha Psi.



HAFFELDER, GEORGE—B.A. Sigma Beta Phi.

HAFFELDER, PHYLLIS—B. of Ed. Delta Delta Delta; W.A.A.; Red Cross; Dramatic Assoc.; Y.W.C.A.; Campus Collegian; Blockhouse.

HAIGH, F. DWIGHT, JR.—B.A. Transferred from Dartmouth College.

HALAK, DELMAR B.—B.S. Polish Club, treasurer; Kappa Phi Sigma; Newman Club; German Club; Band; Intramural League.

HALE, DOROTHY JANE—B. of Ed. Ellen H. Richards Club; W.A.A.; Campus Collegian; Co-ed Sports Night; Alumnae Hockey Game, chr.

HALGAS, GEORGE J.—B.E. Honor Soc.; Pi Mu Epsilon; Delta X, vice president; Dorm M. Club; Ohio Soc. Professional Engineers.

HAMILTON, MARDO N.—B.B.A. Sigma Beta Phi; Football; Varsity T Club.

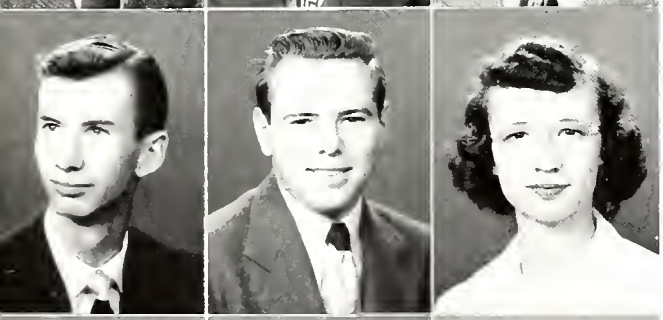
HAMMEREL, RICHARD—B.S. Alpha Sigma Phi, secretary; Chemical Soc.; F.T.A.; Y.M.C.A.; Newman Club; Blockhouse, faculty editor; Homecoming Committee.

HARBAUGH, RICHARD D.—B.E. Engineering Soc.; Masonic Club.

HARDING, WARREN—B.E. Engineering Soc.; Electrical Engineering Soc.

HARMON, RICHARD L.—B.B.A.

HARRY, PHILIP—B.E.



HART, JACK L.—B. of Ed. Sigma Beta Phi; Y.M.C.A., social chr., publicity chr.; F.T.A.; Debate Assoc.; Newman Club, social chr., executive committee, athletic chr., president; Business Ad. Club; Polymathic Soc.; Red Cross; University Theatre; International Relations Club; ARN; Freshman Class president; Christmas Formal, co-chr.; Sophomore Dance Committee; W.S.S.F. Publicity Committee.

HART, JOSEPH W.—B.S.M.E. Ohio Soc. Professional Engineers.

HART, MARY MARGARET—B. of Ed. F.T.A.; Y.W.C.A.; Delta X; Ellen H. Richards Club, treasurer; Sigma Alpha Omega; Pi Mu Epsilon, secretary; Kappa Delta Pi, vice president.

HASSEN, JEANETTE—B.B.A. Business Ad. Club; International Relations Club.

HATFIELD, WILLIAM E.—B.S. Sigma Beta Phi; Amer. Chemical Soc.

The systematic union of individuals in a body working together.....
ORGANIZATIONS
Mary Frances Dolan

Row 1—Kelley, M.; Draper, B. Row 2—Crothers, K.; Rowe, D.; Kaiser, A.; Cauffiel, E.; Benson, D. Row 3—Stacey, P.; Chambers, M.; King, J.

PEPPERS

OFFICERS

President ..... Maryse Kelley

Secy.-Treas. .... Marianne Chambers

Peppers, women's honorary, is the highest honor a University woman may attain. The organization stands for high scholarship, service to the University through activity participation, and worthy personal conduct. Peppers is limited to those top thirteen women on campus who best live up to these standards. At least a 1.5 average is required for membership plus an active and contributing participation in school activities.

Peppers as an organization was originally founded as a booster club with the intention of promoting the morale of the student body. It now stands as a recognition for those women considered to have contributed the most to the University.

In addition to the individual efforts of its members, Peppers as an organization carries on an extensive program of its own. The members serve as ushers for the concerts in the Peristyle of the Museum of Art, and this year ushered for the mid-year commencement. An annual party is given for the members of Arx, men's honorary, and their advisers. The alumnae of Peppers were entertained at a tea this year. As in previous years, those freshmen women obtaining a two point average or better were feted at the Smarty Party. At this time Mrs. Wilber W. White was pledged to Peppers. In the Spring of the year the annual Women's Songfest was held. The event was participated in by sororities of the University, a cup was given to the winner group, and new Pepper members were tapped.

This year's Pepper membership includes Maryse Kelley, Marianne Chambers, Dorothy Benson, Elda Cauffiel, Katie Crothers, Betty Draper, Agnes Kaiser, Jane King, Joyce Reiter, Donna Rowe, Pat Stacey, and Dorothy Zackrisson.

Dean Kathryn Schwab is adviser.

ARX

OFFICERS

President ..... Richard Reisbach
Vice-President ..... Robert Dixon
Secretary-Treasurer .. Richard Sanner
Reporter .. John Phillips

ARX, men's honorary at the University, restricts its membership to thirteen junior and senior men who are outstanding on campus in both extracurricular activities and scholarship. Unusual ability in at least two fields, an above average scholastic record, and high moral character are the primary requisites for membership. Tapping ceremonies serve as notice to the student that he has entered the select circle and also as notice to his fellow students that he is one of the thirteen leaders on campus.

This year, ARX carried through its regular program of activities along with adding an additional one. In November John Phillips and Phil Miller handled the annual alumni banquet which was held at Kin-Wa-Low's. At the Christmas Formal six new members of ARX were tapped. Than as a new activity, at the commencements the ARX, along with Peppers, were responsible for the ushering. During March the annual breakfast honoring Peppers was held at the Tally-Ho Tea Room with Harold Rawson and James Huffer in charge. Jack Hart and Tom Imber were co-chairmen of the President's Ball at which presidents of all university organizations are honored. Members of ARX ushered at the Women's Songfest in April, also.

Men tapped at the Christmas Formal were William McCool who was associate editor of the Campus Collegian and a member of Student Council. Harold Rawson, active in several engineering organizations and the Dramatic Association, also carried a 2.3 cumulative point average. Jack Hart, president of the Newman Club, was also active with the Dramatic Association. President of Kappa Phi Sigma, National Pre-Dental Honorary, and member of several music organizations was James Huffer, who also carried a scholastic record of 2.4. Dick Zulch, president of Kappa Delta Pi, National Educational Honorary, was varsity end on the football team along with carrying his grades at 2.6. Last man tapped was Lewis Heldt, member of Student Council and active with the Y.M.C.A.

The other members of ARX are: Norman Wolfe, Thomas Imber, Dick Sanner, Phil Miller, John Phillips, Bob Dixon and Dick Reisbach.

Dr. R. L. Carter, Dr. W. W. White, and Associate Professor J. R. Long are advisers.

PHI ALPHA THETA

Phi Alpha Theta, national honorary history fraternity, was founded in 1921 by Dr. N. Andrew N. Cleven at the University of Arkansas. Today the fraternity has eighty-two chapters in thirty-three states, the District of Columbia, and Puerto Rico. A member of the Association of College Honor Societies, Phi Alpha Theta has consistently upheld high scholarship, and endeavors to stimulate a continuing interest in the study of history through its chapter activities, its regional, and its national meetings. In 1938 the fraternity began the publication of The Historian, a scholarly journal, in which the younger historian would have an opportunity to get his manuscripts published, and where the better known historians could find a place for their shorter works.

A vital interest in history is the basic requirements for membership in Phi Alpha Theta, though stress is also put on scholarship and character. The motto of the fraternity is *vox populi, vox die*, its colors are Madonna Red and Madonna Blue, and its official flower is the red rose.

Adviser is Andrew J. Townsend.

PI MU EPSILON

Row 1— Scarlett, J.; Bergquist, R.; Belinski, M.; Hart, M.; Krohn, A.; Woodruff, R. Row 2—Mr. Shoemaker; Dr. Brandeberry; Dr. Calhoon; Lang, D.; Halgas, G.; Halgas, R.; Dr. Dancer.

The local chapter of Pi Mu Epsilon was first organized on this campus in 1936. It is a national honorary organization whose purpose is the promotion of scholarship among the mathematics students at the University. The organization aims to do this by electing members on an honorary basis according to their proficiency in mathematics and by engaging in activities designed to promote mathematics and the scholarly development of its members.

To be eligible, an undergraduate student must have completed some course in mathematics beyond calculus, have been an active member of Delta x, and have achieved a 2.5 average in mathematics courses and a 2.0 in general scholarship.

Regular business meetings were held every other month and consisted of a talk on some topic pertinent to the field of mathematics. A joint meeting with Delta X for a Christmas Party, the February Banquet and Initiation were features of the 1949-50 season.

Mr. Ed. Ebert is the group adviser.

OFFICERS

Director ..... Edward Ebert

President ..... Julian Bulley

Secretary ..... Mary Hart

Treasurer ..... Marion Beals

So that students of education showing high promise might enjoy social and professional fellowship, the Zeta Epsilon chapter of Kappa Delta Pi was established here in 1915. Since that time it has shown growth along with the national organization which now has over 160 chapters in colleges throughout the nation, and more than 30,000 members.

Kappa Delta Pi began its year with election to membership of 21 juniors, seniors, and graduates. Their formal initiation on November 30 boosted membership to its largest figure since the chapter was founded. With the addition of this group of students, all having point averages of 2.15 or better, a progressive year was assured.

During the year the organization heard lectures by several noted educators, including Ira Baumgardner of Sylvania. The group presented a program before Phi Delta Kappa, men's educational honorary, in the spring. It also purchased a portrait of John Dewey to be hung in the College of Education office.

Adviser to the group is Dr. Frank Hickerson.

The chief aim of Sigma Delta Pi, National Spanish Honor Society, is to cultivate a knowledge of and respect for the Hispanic culture and to encourage friendship and understanding between peoples of Hispanic culture and people of English culture.

This year, under the guidance of Senora Rosario Floripe, Beta Epsilon Chapter has furthered the purposes of Sigma Delta Pi through diverse activities. One of the most important meetings was that held for the presentation of pins and certificates to new members. The program included a display of Latin American paintings by the talented Mexican artist, Josephine Mesa.

Sigma Delta Pi endeavors to fulfill its purposes through information gained from authoritative guest speakers. Dr. Julio del Toro, editor of the *Modern Language Journal* and Dr. Josef Kuntz, who spoke on his recent trip to the southern hemisphere, were among the guests at the spring initiation ceremonies.

Associate professor Rosario Floripe is adviser.

SCABBARD AND BLADE SOCIETY

OFFICERS

President	Frank M. Lally
Vice-President	J. Parks Mather
Secretary	Jay D. Henderson
Treasurer	Robert R. MacIntyre

The University of Toledo Chapter of the National Society of Scabbard and Blade was officially instituted at the biennial convention of the National Society on November 3, 1949.

The aims of the Society, in accordance with the belief that military service is the obligation of a good citizen and that the greater advantages afforded to the college men through the study of military science impose upon them definite responsibilities as citizens, are to unite in closer relationship the military departments of American colleges and universities, to preserve and develop the essential qualities of good and efficient officers, to prepare the members as educated men to take a fuller and more active part and to have a greater influence in the military affairs of the communities in which they may reside, and finally to spread intelligent information concerning the military requirements of our country.

The requirements of eligibility for active membership of the Society are: 1) that the applicant must be a male citizen of the United States; 2) that the applicant is currently enrolled in the advanced course of an Army Navy or Air Corps Reserve Officer Training Program; 3) that the applicant holds a cadet Commission in the Corps of Cadets.

The officers of the local chapter are elected by its members. Ellsworth M. Murley is Pledge-Captain. The present adviser of the organization is Lt. Col. David S. Dillard, P.M.S. & T.

It is significant to note that three members of the Toledo Chapter qualified as Distinguished Military Students and were subsequently offered Regular Army Commissions. The R.O.T.C. unit at the University has been established for two years.

Row 1—McIntyre, R.; Stocinski, C.; Schaaf, H.; Ossim, F.; Mather, J. P.; Henderson, J.; Row 2—Lally, F.; Murley, E.; Orzechowski, F.; Sharp, H.

HONOR SOCIETY

OFFICERS

President . . . Edward S. Foster

Vice-President . . . Carl Marx

Secretary-Treasurer . . . Arthur H. Black

The Honor Society at the University is composed of three classes. The membership of the Honor Society is restricted to those students who have achieved an accumulative point average of 2.7 in their junior year or a 2.5 in their senior year. Members of the faculty who are former members of the society, here at the University or who have been elected to Phi Beta Kappa, Phi Kappa Phi or Sigma Xi at their undergraduate schools are automatically members of the society. Graduate students here at the University are eligible for membership, however no more than twenty per cent of the candidates may be elected.

New members of the organization are initiated at the annual banquet in May which is traditionally held at the Toledo Woman's Building. At the banquet the new officers are installed and the new members are given certificates of membership and a gold key. An outstanding speaker is engaged for the banquet.

Formed as an organization to promote scholarship and to give recognition to those students who are scholars, the organization is the most exclusive of all campus organizations and this reflects in the small student membership of the group.

As the officers of the group are all members of the faculty, the group has no formal adviser.

Row 1— Liggens, W.; Crew, L.; Tom, A.; Kelley, P.; Adams, J.; Stevenson, B.; Bracht, M.; Kachemmeister, L.; Priene, B.; Belinske, M. UNIVERSITY CHEMICAL SOCIETY

OFFICERS

President ..... Bob Gates

Vice-President ..... Dick German

Secretary-Treasurer ..... Anna Tom

In keeping with its aim of providing fellowship among chemistry students, the University Chemical Society holds regular monthly meetings and sponsors speakers from chemistry and related fields. The program committee under the direction of Bob Weil this year also presented technical films at each meeting. Joyce Adams was chairman of the refreshment committee.

Any student who is taking or has taken his second year of chemistry may join the University Chemical Society. Upon being recommended by the faculty and filling required applications he may become a student affiliate of the American Chemical Society, of which this club is an auxiliary unit. As a student affiliate of the American Chemical Society a student may attend meetings and subscribe to publications of the national organization.

A highlight of the organization's year was the December joint meeting of the University group with the Toledo section of the American Chemical Society. Other activities included the distribution of technical booklets to members, a card party, student presentations of papers, and displays in the halls of the Chemistry Department. Activities of the year closed with a picnic for members of the organization and the chemistry faculty. Dr. Donald K. Brundage and Mr. Arthur Black are advisers to the group.

OHIO SOCIETY OF PROFESSIONAL ENGINEERS

This was the first year of activities of the Ohio Society of Professional Engineers on the University of Toledo campus. On February 15, 1949, the organization received its charter from the State Society. As a member organization of the Ohio Society of Professional Engineers the chapter here is affiliated with other student chapters and the local and state societies. All of these groups are associated with the national society in Washington, D. C. The other Ohio student chapters are at Ohio State, Ohio University, University of Cincinnati, and the University of Dayton.

Purpose of the Ohio Society of Professional Engineers is to afford an opportunity for the students of the College of Engineering to become better acquainted with their faculty, fellow students, and men of industry. It serves to acquaint the members with topics of interest to an engineer and to foster the development of a professional spirit. Any student enrolled in the College of Engineering may become an active member in the student chapter. Meetings are held once a month and are open to all engineering students and to alumni.

Highlights of the year's activities were the speakers, plant tours, and participation in Homecoming events. At the last meeting of the year the organization elected new officers and concluded activities with a roast.

Publicity for the organization was handled by Richard Reisbach; second semester treasurer was Leroy Beckmann and second semester program chairmen were Sam Wendt and Frank Micka. First semester program chairman was Gayle Lyons. Adviser to the group is Dr. John B. Brandeberry.

KAPPA PHI SIGMA

Kappa Phi Sigma, local pre-dental fraternity, was organized in April, 1948. The purpose of the fraternity is to stimulate higher scholarship among the students of pre-dentistry and to bring together the students of similar ideas and objectives. Membership in the organization is limited to men of at least sophomore standing in pre-dentistry who have an accumulative point average of 1.5 or better.

During the year, the fraternity journeyed to Columbus and toured the Ohio State Dental College. The group stayed overnight as the guests of Delta Sigma Delta, dental fraternity at Ohio State.

At the end of the year the annual picnic for members was held at Clear Lake. Dr. Howard Bowman, professor of biology, is adviser to the group. Reporter was Bill Weit.

POETRY CLUB

Row 1—Blakesley, P.; Benson, J.; Less, J.; Foor, L. Row 2—Perry, S.; Wolfe, N.; Decker, L.

The Poetry Club was organized in the fall of 1948 by a nucleus group which was interested in forming a club which was restricted to poetry. The purpose of the club is defined in its constitution, which was approved in 1949, the year in which the club was recognized as a regular campus organization. The purpose as stated is to read and to enjoy poetry, to stimulate the members to write some poetry of their own, and to further the interest in this particular artistic medium.

This year the club met every second Friday evening, and the meetings were held in members' homes. Besides regular meetings there were social affairs such as picnics, roasts and parties. In the fall, Mr. Martin Scholten and Dr. Vedder Gilbert, of the English Department, spoke to the club and Dr. Gardner Williams of the Philosophy Department spoke on his preferences in poetry. An annual affair is the Christmas Party. Miss Sally Bissell is adviser of the group.

OFFICERS

President . . . . . Patricia Blakesley
Vice-President . . . . . Joanne Less
Secretary . . . . . Lois Foor
Treasurer . . . . . Joanne Less

On May 14, 1949 the installation of the Alpha Rho Chapter of Beta Beta Beta took place under the guidance of Dr. Floyd J. Brinley, moderator. Dr. Earl Bowen, national officer from Gettysburg College, Pa. initiated twenty-two members. His address following the ceremony was entitled "Biology in General Education."

Guests of honor for the banquet immediately following initiation included Dr. and Mrs. Wilbur White. Entertainment was given by Miss Alma Stoiber and William Filsinger.

On Saturday evening July 30 and old fashioned southern barbecue was held with forty-five members and guests present. Three members from out of town colleges attended. Program chairmen for the evening were Sylvia Klotz and Marie Wagner.

On October 26, Dr. Floyd Brinley gave a talk on "The Wild Life of Rocky Mountain National Park" illustrated with colored slides. A Halloween tea followed for the twenty-five members present.

Adviser to the group has been Dr. F. J. Brinley.

RED CROSS

Row 1—Caulfield, E.; Gallup, C.; Peterson, M.; Hawkins, R.; Laures, J. Row 2—Sanner, R.; Kimble, J.; Paie, M.; Bart, J.

The Toledo University Red Cross has as members those who have pledged themselves to help the Toledo chapter to collect funds and carry out the various duties of the Red Cross. To become a member of the University Red Cross, students must contribute one dollar during the annual drive which takes place during the month of March. Membership in the organization entitles the student to voting privileges for a one-year period.

In March the annual Red Cross fund campaign began. Classroom collections were taken and a membership drive was stressed strongly. Besides individual donations all campus groups donated money during the drive.

Dean Kathryn Schwab is adviser.

AMERICAN PHARMACEUTICAL ASSOCIATION

OFFICERS

President . . . . . Sidney Adams

Vice-President . . . . . Donald Smith

Secretary . . . . . Dorothy Vogelsang

Treasurer . . . . . Jackie Velleman

The object of the American Pharmaceutical Association is to give students of pharmacy an opportunity to meet as a group and share knowledge for the social and professional progress of pharmacy.

Both as a social group and as a professional organization, the American Pharmaceutical Association has a diverse program ranging from informal dances and parties to educational talks by men and women prominent in pharmaceutical circles. During the past year a series of lectures has been given by representatives from the fields of retailing, manufacturing, hospital and research pharmacy.

Social activities of the year opened with the annual roast welcoming freshmen in the College of Pharmacy and included a baseball game. Later in the autumn, the organization was visited by Dr. Robert Fischelis, president of the National American Pharmaceutical Association, who spoke to the group on new opportunities in the field of pharmacy. A highlight of the year was the Christmas party given for the children at Opportunity House which included a program by talented members, a gift exchange and singing of carols. Don Aiken was chairman. Rose Reuss was in charge of a Christmas party for members at the Farnsworth Park Shelter House.

During second semester the annual open house was again sponsored by the organization. Each year National Pharmacy Week is observed by opening the laboratories to the public. Adviser to the organization is Walter S. Mack.

FUTURE TEACHERS OF AMERICA

The year 1949-1950 was the second year on campus for the Phillip C. Nash Chapter of the Future Teachers of America.

Meetings were held the third Thursday of every month with guest speakers from several local high schools, principals and others prominent in the education field.

Social activities for the year included a "Get-Acquainted Party" at the first meeting in September, a Christmas party, and an exchange meeting with the Bowling Green F.T.A. Chapter.

Several members of the chapter attended the F.T.A. sponsors' meeting during the Northwestern Ohio Teachers' Conference at a local high school on October 28 to give their views on the value of F.T.A. membership in high school and college.

The climax of the year's activities was the third annual Education Conference of Northwestern Ohio F.T.A. high school and college chapters held at the University of Toledo. The theme of the conference was the United Nations Educational, Scientific, and Cultural Organization. A guest speaker was a prominent official in the UNESCO.

Membership in the F.T.A. is open to all students in the College of Education and is considered a junior membership in the National Education Association and the Ohio Education Association, entitling members to receive the N.E.A. and O.E.A. journals and to attend educational conferences sponsored by these groups. Junior membership in these activities gradually orientates College of Education students to the teaching profession and aids in academic and professional training. Increasing interest in the group indicates that students are aware of the advantages to be obtained in this association of future teachers.

Adviser of the chapter is Mr. George Ackerlund.

RADIO WORKSHOP

OFFICERS

President..... Maryse Kelley
Secretary..... Gloria Fish

"The University Presents" was presented this year by the Radio Workshop of the University of Toledo on Tuesday evening at 10:30 over station WTOL. The radio program offers experience to amateurs in script writing, directing, acting and sound effects. Every production has a student director who has charge of the show with the assistance and advice of the Workshop's adviser, Mrs. Norma Stolzenbach. occasionally to inform the community of the activities of these groups. the Tuesday evening broadcast is devoted to a description of various departments of the University and to organizations on campus.

To be eligible for membership in the Workshop, a student must be a second semester freshman or an upper classman. Auditions are held at the beginning of each semester and members are chosen in view of their potential abilities. This year, Robert LaConto was chairman of sound effects. Joan Brewton was chairman of music, and Agnes Kaiser had charge of all scripts for the productions.

AMERICAN SOCIETY OF CIVIL ENGINEERS

OFFICERS

President ..... William Pasetor

Vice-Presidents ..... William Bolin
Richard O'Heir

Secretary ..... Robert Phillips

Treasurer ..... John Arnot

The purpose of the student chapter of the American Society of Civil Engineers is to acquaint student engineers with methods which will enrich their college courses, to begin professional associations and contacts which will be valuable to the practicing engineer, and to instill a consciousness of a professional code of ethics.

The student chapter held regular monthly meetings to which practicing civil engineers of the Toledo area were invited as guest speakers. Activities of the group also included field trips to construction projects and works in operation, as well as participation in University of Toledo activities and social functions. This year, a student chapter conference was held at Case School of Applied Sciences. At the Homecoming celebration, Arnold V. Finch, city manager, spoke to the group. Later in the season Burton R. MacRitchie, city service director, addressed members. A joint meeting with the Toledo section of the American Society of Civil Engineers was highlighted by a talk on the interregional turnpike system by Charles I. Smith, representative of the Ohio State Highway Department. Other events included a field trip to the Medusa Cement Corporation and a speech by Walter Keefe, city planning commissioner.

Faculty advisers are E. L. Saxer and C. C. Aekerman.

BUSINESS ADMISTRATION CLUB

The Business Administration Club of the University of Toledo was first organized in the year of 1929. After being on an inactive status for a few years, it was reorganized shortly before World War II. The principal purpose of the organization is to acquaint the business student with the actual work of business, to further the knowledge and interest in the increasingly varied fields of business and to provide a strong feeling of fellowship among its members. Field trips are often taken to different plants in the city, where the members meet the business executives and see actual business in operation.

Meetings are held twice each month, with programs varied to provide both educational and social activities. In the field of education, business men and labor leaders lecture on current problems, followed by round-table discussions and question periods. At some of the meetings, slides are shown and exhibits sent by manufacturing concerns in the city prove to be of great interest.

In the social sphere, the Business Administration Club starts the year with its annual Mixer in the Student Union. Later in the year the group sponsored a square dance at Farnsworth Shelter House, an annual Student-Faculty tea, a Monte Carlo party and other functions.

Because Toledo is one of the growing industrial cities of the United States, the more specialized and varied business activities of the city make the need of a business group such as this an important one at the University of Toledo.

Corresponding secretary this year was Beverly-Jo Williams. Phil Hensel is adviser.

KAPPA KAPPA PSI

OFFICERS

President	Robert Weil
Vice-President	Conrad Greim
Recording Secretary	Wayne Bricker
Corresponding Secy.	Robert Thorley

The former Glass Baton Club was formally installed as the Beta Rho Chapter of Kappa Kappa Psi on January 15, 1950, at a banquet in the Hillcrest Hotel. The installation ceremonies were conducted by Herbert Floyd, the president of Eta Chapter, located at Ohio State University. He was ably assisted by a representative group of that chapter.

Kappa Kappa Psi is a national band honorary fraternity, composed of outstanding bandsmen from either concert or marching band. Its main purpose is to promote and improve the quality of both bands and band activities. It also serves to give recognition to those who work and perform in these organizations in an excellent manner.

For several years the men who now compose Beta Rho Chapter, and many others no longer enrolled, sought to bring their standards up to those set by the other chapters of the country. Reward came when the group was accepted into the national organization on the strength of their petition edited by Conrad Stoltzenbach III. This included, along with pictures of the school, faculty administrators and members, pictures and articles concerning the numerous Glass Baton activities. Among the sports pursued were football, bowling, baseball and basketball. Another practice of Glass Baton, which was suggested by the Ohio State chapter, was furnishing apples to the visiting band at half-time.

Activities include assisting the band managers at all football games, parades, and concerts; aiding in the preparation of band shows, handling all concert publicity, recruiting new members for the bands, and sponsoring such activities as the annual Rocket Band Picnic in the early Autumn and the annual Rocket Band Banquet after the football season.

The advisers are three: Dr. Paul W. Stansbury, Prof. Jesse R. Long, and Prof. Charles W. Harris. Dr. Stansbury, who has been a friend of the band for many years, did much to keep it going during the war years. Prof. Harris, an alumnus of Ohio State Eta Chapter, was responsible for the work undertaken to bring a chapter here. Prof. Long was a member of Sigma chapter at Ohio Northern. Treasurer of the group this year was Gene Harwick.

Chimes Club is an organization composed of women who are active either in Rocket Marching Band or the University Symphonic Band. The purpose of this group is to foster a closer relationship between the women in the bands, to get more women interested in participating in band work, to honor outstanding bandswomen and to provide them with more social activities.

Since their organization in October, 1948, the girls have assisted in many different activities such as writing and printing of concert programs, acting as Music Department guides on High School Day, and assisting with the annual Rocket Band Picnic. Members furnished entertainment and decorations for the annual Band Banquet and provided refreshments for the Rocket Band at several football games in addition to recruiting new members for the bands. A major aim for the coming year is affiliation with a national honorary sorority for band women.

Adviser to Chimes Club is Mrs. Charles W. Harris.

OFFICERS

President ..... Nancy Fox
Vice-President ..... Alma Kronmann
Secretary ..... Carolyn Bittick
Treasurer ..... Bebe Prince

CHIMES CLUB

BEL CANTO ENSEMBLE

Row 1—Jansen, J.; Livi, P.; Scanlon, C.; Wilgus, L.; Nightingale, N.; Bylow, E.; Fashnacht, F.
Row 2—Meadow, M.; Foran, N.; Easterday, L.; Nordhous, L.; Michel, C.; Dick, M.

Though a little more than two years old, Bel Canto Ensemble is rapidly gaining both University and civic recognition. In the past, the group has collaborated with the University Chorus in presenting a spring concert, a Christmas concert and chapel services and this year presented a spring concert by itself.

Bel Canto, an Italian name meaning "beautiful singers," is a selected group of women university students. The group sings three and four part secular and sacred music. The women meet in the University Tower two days a week to practice.

Bel Canto is under the direction of the Acting Chairman of the Music Department, Miss Ruth Lambertus.

OFFICERS

President ..... Elaine Palicki
Secretary ..... Connie Michel
Librarian ..... Mary Dick
Social Chairman ..... Marjorie Meador
(Elected office)

MEN'S GLEE CLUB

The Men's Glee Club was first organized to accommodate those male students who enjoy singing in three and four part harmony. Since it is a democratic organization, the types of music and some specific songs are selected by the membership and a librarian is the only elected officer. The post this year was handled by Reigh Lantz.

Membership in the group, which is open to all full time male students who have had some singing experience, offers class credit hours to those who desire them. Types of music selected by the group this year were religious songs, semi-classical songs, popular, folk and fun music. In addition, the men selected thirty-five individual songs.

The Men's Glee Club has "sung for its supper" as well as for concerts, holiday programs, luncheon clubs, and social functions. This year the group also participated in the University combined concert, which also included the Symphonic Band, Chorus, and Bel-Canto group. The organization is under the direction of Charles W. Harris, band director, and was assisted by piano accompanist Carolyn Bittick.

Row 1—Frank, B.; Onisko, M.; Rudy, W.; Glann, P.; Schumm, R.; Wilson, F.; Decker, L.; Hill, J. Rwo 2—Draeger, D.; Lantz, R.; Dawsey, H.; Esterday, J.; Holmes, C.; Tanner, J.; Spring, L.; Lewis, L. Row 3—Greim, O.; Geisut, G.; Eidemiller, K.; Curtiss, J.; Husson, E.; Kotecki, J.; Bricker, W.; Berndt, R.; Weil, B.; Christlieb, B.

CHORUS

The University of Toledo Chorus, which is composed of University men and women who like to sing, meets three times weekly. The group studies and performs both religious and secular choral arrangements.

Again this year, the chorus, in co-operation with Bel Canto, gave a fall concert. In addition, the chorus assisted in the Christmas chapel service and presented its annual evening Christmas concert, consisting of the "Christ Child" cantata and Christmas carols. During the Christmas season the chorus also gave a program for the Cosmopolitan Club. Group caroling and solos made up this program. Following the singing, the chorus was entertained by the Club with group dancing and refreshments.

On March 19th the group gave a Lenten program at Saint Paul's Methodist Church. Selections from "Gallia" and "The Seven Last Word" were sung. At Easter time another concert including "The Seven Last Words" and "Gallia" was presented.

Social activities were frequent. In October the members celebrated Halloween with cider and doughnuts at a party held in the Student Union. Membership, which is open to all University students who are interested in choral singing, insures musical pleasure and progress, enjoyable social events, and an opportunity to serve the University by contributing to its seasonal programs and numerous other functions. The group is under the leadership of Miss Charlotte Ruegger.

OFFICERS

THE RELIGIOUS COUNCIL

The Religious Council of the University of Toledo is an organization which stimulates active participation of students and faculty members of every denomination on the campus.

It is composed of nine faculty members, two student representatives at large, and a student representative from the Y.W.C.A., Y.M.C.A. and each of the organized religious groups on campus, including the Newman Club, Weslyan Club, Canterbury Club and Lutheran Student Association.

The purpose of the Council is to stimulate religious thought and participation among the students and faculty by presenting speakers in assemblies throughout the school year. These speakers represent various religious groups: Catholic, Jewish and Protestant. In addition to these programs, the Council also sponsors a Thanksgiving program of appropriate musical and literary selections and Christmas and Easter musical services.

This year, the Council sponsored Religious Emphasis Week, during which three speakers representing the Protestants, Catholics and Jews spoke to the student body. The purpose of the week was to bring closer fellowship between the groups.

The Council meets twice a month. Adviser and chairman is Mrs. Floyd Radabaugh, secretary is Joyce Reiter.

Row 4—Hawley, S.; Cooper, E.; Tegenevev, B.; Taylor, C.; Andrews, B.; Reasner, Father.

CANTERBURY CLUB

The purpose of the University of Toledo Canterbury Club is to provide a closer bond between Episcopalian students through an understanding of the church doctrine and to promote and exchange ideas.

From 1910 to 1915, a research study was under way in the Episcopalian church in order to find a club name for the existent organization. The name Canterbury was chosen and later this was changed to the national name for the clubs in all the colleges and universities.

Therefore, the Association of Canterbury Clubs is not a new organization. It is a fellowship of already existing church student groups.

The program this year was composed mostly of social and business meetings for the purpose of forming a closer link between the church and the University of Toledo. At each of the meetings members of the clergy talked on the different aspects of the church itself. Some of these topics were the history of the Church, the Toledo Council of Churches, divorce and the Holy Communion. Then a round table discussion was held during which members of the club asked different questions about the topic being discussed.

One of the projects for the year was revision of the Constitution, for which a committee was picked to read and revise. Program, publicity, ways and means, membership and bulletin board committees also functioned.

Among social gatherings were two informal teas, held in the Student Union for the purpose of introducing new members.

The club's adviser is Miss Grace Cutler.

DORM M CLUB

The Dorm M Club was organized in 1947 among the students who lived in the "temporary" dwellings which were set up to accommodate the veteran students who were returning in such great numbers at that time. The organization was formed so that the residents of the dorm could have a central governing agency.

The social life of the group consists in the main of discussions among the men of many varied topics. also the group holds parties in the Union with various campus organizations and participates in the W.S.S.F. Cross drives.

Members of the club are found in all colleges at the University, particularly in Business Administration. Pre-med. Art. Education. Engineering and Pharmacy.

MACKINNON HALL CLUB

The MacKinnon Hall Club is made up of the men who live in MacKinnon Hall, the permanent men's dormitory on campus. It was organized originally to provide a form of government for the men living in the dormitory; it has branched out and today participates actively in the intra-mural program, sponsors social affairs in conjunction with the Tower View Club and other campus organizations.

The hall itself is a relatively new structure, having been completed shortly before the war, holds approximately 48 students. This necessitates a plan of seniority by which the residents of the other campus dormitories become eligible for residence in the main hall.

Students living in the hall are automatically eligible for membership in the club which elects its officers and carries on business under its constitution.

Limited facilities have restricted the social functions of the club but it looks forward to the time when the recreation rooms on the first floor will be returned to them.

Adviser to the group is Dr. George Brody.

STUDENT COUNCIL

RICHARD SANNER—PRESIDENT

Left to right— Chambers, B.; Chambers, M.; Leake, L.; Heldt, L.; Maher, J.; McCool, W.; Warren, P.; Sanner, R.; Duryea, E. D.; Wolfe, N.; Vogelsang, P.; Crockett, R.; Draper, B.; Dressel, P.

Student Council is the student government body on the University campus. Council has control over all student organizations and considers all matters affecting extra-curricular activities. Student Council also strives to attain cooperation with the Faculty in student affairs.

This year Council began to operate under a new constitution. The new constitution made changes in spring elections and the filling of vacancies. It also called for a Social Committee composed of three Council members. The President appointed Ruth Crockett, Marianne Chambers and Jack Maher to this committee. Four standing committees, to be composed of a Council member as chairman plus five students, were also added under the new constitution. Norman Wolfe was appointed chairman of the Constitutional Revisions Committee; Ruth Crockett was chosen for the Bulletin Board Committee; the Elections Committee was headed by Lew Heldt and Bill McCool was in charge of the Rally Committee. A new position, assistant secretary, was created to help the secretary with clerical work. This position was to be filled by a non-council member. Pat Warren was appointed to the position.

During the school year Council sponsored eight school-wide dances. First semester dances included the Sophomore Prom, Homecoming Dance, the Thanksgiving Dance, and the Christmas Formal. Ray Anthony's band played at the Christmas Formal continuing the policy of having one big name orchestra each semester. The Freshman, Junior and Senior Proms plus the Spring Formal were the dances sponsored by Council second semester. Charlie Spivak's band played at the Junior Dance. Council instituted an admission fee of $1 per couple for the two dances with name bands. All University of Toledo dances were held at the Naval Armory.

Student Council is in charge of three general elections plus the procedure in selecting the Glass Bowl Queen. Freshman elections were held during the first month of school followed closely by the election of the Homecoming Queen. In the spring, elections are held for all class offices and Council positions excepting those held by Freshmen.

Student Council worked very closely with the Student Activities Office in an attempt to put into writing all the rules governing student activities. This was accomplished with the publishing of the student activities handbook. The director of student activities, Dr. E. D. Duryea, also served as adviser to Council.

Officers for the year were: Dick Sanner, president; Lew Heldt, vice-president; Betty Draper, secretary; Bruce Chambers, treasurer and Ray Gosciniak, sergeant-at-arms.

DELTA X

OFFICERS

First Semester

President — Jack Scarlett

Vice-President — George Halgas

Secretary-Treasurer — Anna Tom

Second Semester

President — Dick Shumaker

Vice-President — Irene Loo

Secretary-Treasurer — Anna Tom

Delta X was first organized at the University of Toledo in October, 1920. In 1937, the American Mathematical Monthly recognized Delta X as the largest undergraduate mathematics club in the United States.

Aims of the organization are to stimulate interest in collegiate mathematics, to promote good fellowship among those who have a common interest in mathematics, and to make a contribution to the University's facilities for furnishing a broad cultural education for its students. To become a member, a student must have had or be taking a course in calculus.

This year's activities included several social gatherings as well as the regular monthly meetings. Topics chosen for the meetings varies, including technical and informative subjects. Beginning with a roast in the fall, the organization scheduled a comprehensive social program. Delta X met with Pi Mu Epsilon for a Christmas party and a joint meeting with the Icosahedrons was held in January. A pot-luck supper was held in March. High school seniors were invited to the April meeting in order to stimulate interest in mathematics. The year's activities concluded with the annual banquet in May and the picnic in June.

Adviser to the group is Violet B. Davis.

NEWMAN CLUB

"Through a balanced program of spiritual, cultural and social affairs," campus Newman Clubbers fulfill their constitutional purpose of "enriching the temporal lives of members." The University Newman Club is a member of both the Ohio Valley Province and the National Federation of Newman Clubs.

Hardly had the September mixer ended when for the fourth year, the Glass Bowl Queen was chosen from among 200 Newman Club members. Bobsledding at Potawattami Inn, Indiana, platter parties, flicker dances—all of these filled the social calendar. Jack-o-lanterns smiled at Halloween barn dances and hayrides while snowmen were seated under the "Holliday Holly" at the Christmas Dance. In the cultural program, a one-act play directed by Ann Sudek followed first publication of "Newman News," the club's monthly newspaper.

In February a Valentine's Party honoring the John Carroll basketball team followed the T.U.-John Carroll game. Other meetings, held twice a month, brought members together for dancing, entertainment and refreshments.

Four Communion Breakfasts at Gesu Catholic church supplemented the spiritual program which this year included participation in Religious Brotherhood Week held on the campus early in the spring. Mary Frances Dolan was corresponding secretary for the group. Advisers to the club are Rev. C. A. Mooney, S.J.; Ann Adler and C. J. Kirschner.

INTERNATIONAL RELATIONS CLUB

The International Relations Club is one of the oldest organizations at the University of Toledo. Sponsored by the Carnegie Endowment for World Peace, it is affiliated with hundreds of college chapters throughout the United States and Canada.

The I.R.C.'s purpose is to help students learn more facts about foreign countries and world affairs. This year, in an effort to bring the international picture closer to home, the organization presented a series of talks by foreign students attending the University. Countries represented in these talks included China, Cuba, England, Germany, Iran, Iraq, Israel and India. These informal meetings were held in the Student Union Library and prove conducive to stimulating discussions. Refreshments were served at the close of each session.

Adviser to the group is Dr. Willard Smith, and William Frank served as treasurer and John Hipple served as reporter.

OFFICERS

President.....LaVonne Smith

Vice-President.....Sue Kipperman

Secretary.....Shimon Perlmutter

Corresponding Secretary.....Jacqueline Vellman

Sigma Rho Tau is an honor society whose main object is to insure a closer bond of understanding between the general public and engineers by developing the speaking ability of student engineers. The group was organized in October, 1929, at the University of Michigan by four students and Professor Robert D. Brackett. The organization was known as the "Stump Speakers Society" for a few years before the name was changed to the present Greek letters. There is an active alumni group located in Detroit.

During the year the four active chapters —University of Toledo, University of Michigan, University of Detroit, and Detroit Institute of Technology—held debates and exchanged speakers for chapter meetings. A national convention, which highlights the year's activities, was held during May at the University of Detroit. This annual convention, at which different types of speech contests are held, indicates the improvement of the speech abilities of the members from year to year.

The year's activities of the Epsilon chapter here at the University of Toledo included an annual stag roast in the fall and the annual dance in the spring held in the Student Union, plus regular bimonthly meetings.

Earnest Weaver is adviser to the group.

YOUNG REPUBLICANS CLUB

Row 1—Wetnight, H.; Good, S.; Haney, F.; Rowe, D.; Warren, P.; Bruno, A.; Jay, S.; Hodges, B.
Row 2—Miller, P.; Hippel, J.; Neale, C.; Zeller, P.; Crothers, K.; Morris, R.; Larson, J.

Politically minded students find an outlet for their interest in the University of Toledo Young Republicans Club. The purpose of this junior G.O.P. organization is to interest students in politics and make them intelligent voters. To accomplish the latter the group discusses major political issues before elections.

The group's activities included discussions, social events and participation in political campaigns. This year the University chapter was host at an open house in Columbus during the state Republican convention to other Ohio university and college chapters.

Standing Committees were: Membership, Bill Hawley, John Hippel, Jim Miller and Pat Dressel; Program, Sue Good, Bob Morris, Charles Neale and Phil Zeller; Publicity, Florence Beran, Elda Canfiel and Katy Crothers, who also was corresponding secretary.

Three directors act as the executive committee and plot the course of the group. Directors this year were: Bob Morris, Marilyn Buyea and Pat Warren.

Dr. H. T. Towe is club adviser.

Secretary	Samuel Ferris
Treasurer	John Miller

Alpha Epsilon Delta, national honorary premedical fraternity, marked its third year on the University of Toledo campus. The purpose of the organization is to help acquaint the premedical student with various aspects of the medical profession, to advise him in his preparation for medical school, and to stimulate high scholastic attainment and building of moral character.

This year the group sponsored an address given by the eminent plastic surgeon, Dr. Hoyt DeKleine. Dr. DeKleine spoke on the various phases of modern plastic surgery and supplemented the lecture with slides pertaining to some of his cases.

The chapter officers and members aided in the initiation of the Ohio Delta Chapter at Bowling Green. At the ceremonies, the members had the honor of meeting the National President, Dr. H. E. Setterfield, and the National Secretary, Dr. M. L. Moore.

Plans were made to visit the Medical School at Ohio State University during the spring in conjunction with the other Ohio chapters of Alpha Epsilon Delta. A banquet and dance were scheduled in the evening.

New active and honorary members were formally initiated at the annual Christmas Party given for the alumni who are attending medical schools.

Another group of candidates was pledged the latter part of this year. A party in honor of the new members and those actives going away to medical school next fall followed the formal initiation of the new members.

Adviser to the group is Dr. H. H. M. Bowman.

Kappa Psi, international honorary pharmaceutical fraternity, was founded in 1879 and incorporated in 1903. The local chapter received its charter on May 22, 1925 and has remained active except during the war years of 1943-1945. This year the chapter had 38 members and 13 pledges. Due to the closing of the college of pharmacy at Western Reserve University the Beta Lambda chapter acquired 13 transferred memberships.

The fraternity endeavors to promote good fellowship, to stimulate higher scholarship among the students of pharmacy, to bind together the students of similar ideas and objectives, and to develop a sense of professional ethics among the men who are studying the fine art of the apothecary. Scientific discussions by retail pharmacists, physicians, pharmacologists and educators in pharmacy tend to familiarize the men of Kappa Psi as to their duties as future pharmacists.

Activities during the year included a freshman smoker, annual pledge-active sporting events and luncheon dance. It has also been the policy of Kappa Psi to erect educational displays in Pharmacy Hall at regular intervals.

Mr. Walter L. Mack, a member of Kappa Psi and instructor in the college of pharmacy, serves as the adviser.

The University Theatre opened its season this year with a production of George Bernard Shaw's "Candida" on November 17, 18 and 19. Ann Sudek, John Claerhout and Jack Hughes portrayed the leading characters. The second production, given in March, was the mystery farce "The Little Bank Around the Corner" by S. J. Perelman in which Andrew J. Fenady, Thurayne Thomas and John MacGowan had leads. Plans for the spring production occupied the group during the second semester.

A new function of the University Theatre was initiated with the Tower Theatre production of "Candida" on January 13 and 14. Thus the University added to its program by an experiment with the central staging idea. An informal atmosphere accented by refreshments and music marked the performance.

The second annual series of laboratory productions directed by students was presented on March 24. "Box and Cox" was directed by Beverly Walker; a scene from "Richard III" by Andrew J. Fenady. John Claerhout staged "Katherine Howard" and Carlaine Baldug produced "The Happy Journey". These productions were designed for the purpose of giving students an opportunity to direct and manage theatricals as well as act and work backstage. Customary cast parties marked the last performance of each production and occasional get-togethers augmented the social functions of the group.

The Motion Picture Club, auxiliary to the University Theatre, completed its fourth season under the chairmanship of Jim Goodrich with a bill of ten movies. The year's activities were planned by Jack Hughes, John Claerhout, and Tom Farrell, members of the University Theatre's executive board. Morlin Bell is adviser and director.

EL CENTRO ESPANOL

OFFICERS

President	Elaine Minnish
Vice-President	Dorothy Benson
Secretary	Barbara Mischler
Treasurer	Marilyn Abrahamson

The purpose of the Spanish Club is to interest students who are taking Spanish or who have at some time studied it in culture, history and Hispanic America. This year the club held one combination social business meeting each month.

The social program consisted of stories of Latin America, singing and Christmas caroling, and talks on their homeland by South American students rounded out the program. Canasta provided diversion to the members after the meetings and was particularly suitable because of it's Argentine origin.

The group participated in the W.S.S.F. campaign with a booth constructed to represent the ancient Spanish custom of breaking the Pinatas. These gaily colored packages were filled with candy and students were blindfolded and given paddles with which to attempt to break the bundles.

Senora Floripe and Senora Eransquin prepared a Spanish dinner for the group which was followed by Spanish dancing. The dances were supervised by Mr. and Mrs. Rishell. Barbara Baughman and Bruce Tegtmeyer received prizes for their costumes at the affair.

FINE ARTS CLUB

Terpsichore might well be named the patroness of the Fine Arts Club, an honorary group of twenty-five students that "aim for surpassing excellence in all their efforts in a chosen field of art."

Artists, musicians, writers and actors compose the list of selected membership. Those initiated gave exhibits and recitals in their own fields and partook in monthly discussion meetings with other members in an effort to further their general appreciation in other artistic mediums. Modern art became more than a word to actors; Stravinsky more than a name to sculptors.

Two art shows were given by the art members this year, one at the University from November 1 to the 15, and the other later in the year at the Toledo Artists' Club. The first exhibit merited a comment in the downtown newspapers that the student artists "showed great promise." Works were sold during the exhibit to fellow students and faculty members.

Monthly recitals were the musicians' contributions to the honorary during 1949 and 1950. These recitals, open to the public, were followed by idea exchanges on music, musicians and composers held during teas which followed the programs.

Bohemian Night was another feature of the cultural schedule. A ten minute period was allotted to each artist in which to finish an original sketch. Musicians provided background music as the ideas took form; then criticism followed.

Auditions for the club are held each semester and members are selected by a jury composed of authorities in artistic fields. Auditions are open to any student with a working interest in one of the arts.

Adviser to the club is Miss Ruby T. Scott.

ELLEN H. RICHARDS CLUB

OFFICERS

President . . . . . Esther Haddad

Vice-President . . . . Phyllis Ferguson

Secretart . . . . . Edith Weaver

Treasurer . . . . . Mary Hard

Membership in the Ellen H. Richards Club is open to all students interested in home economics. To provide opportunities for fellowship among students with similar interests is the major purpose of the club, which is affiliated with the American Home Economics Association.

In the fall a tea was given for all new students to acquaint them with the club's purpose and program. Five universities were represented in November at the Northwestern Ohio Regional Conference of Home Economics College Clubs for which the local group was hostess. Speakers were: Dr. W. W. White, Dr. Raymond L. Carter, Miss Constance Partee, fashion director of Lamson Bros. Co. and Mrs. Frances Sanderson, Head of H. Ec. Dept., Wayne U. Detroit. Field trips to Toledo organizations completed this highly successful event.

The group scheduled monthly meetings at which supper was served to the members. These provided times for practical application of home economics training as well as cooperative fun. Outside speakers are present at every meeting.

Throughout the year field trips to places of particular interest to majors in the home economic field were visited by the group. Such as a tour through the J. T. Bennett Company, explaining the construction of furniture and giving many interior decorating hints to the women.

In May the annual Mothers' Tea was held in the Student Union. The new officers were installed at this meeting, women who had done outstanding club work during the year were honored and presented pins of the American Home Economics Association.

Advisors to the group are Mrs. Mae Blanchard and Miss Marion E. Gray. Fadwa Haney served as reporter.

POLISH CLUB

The University Polish Club has as its principal aim the promotion of education among students of Polish descent. The Polish Club is the first student group to establish a scholarship fund to aid students in attending the University. The scholorship is given to the most promising graduates of Polish descent from Toledo's high schools: selection is based on the scholastic and leadership qualifications of the students.

The secondary purpose of the Polish Club is to continue the atmosphere of good will at the University. To accomplish this aim the Polish Club is furnishing the University library with books pertaining to the historical, scientific, and cultural enlightenments of Poland.

The group began its tenth anniversary on campus with a membership drive in the Student Union Building. Here, a party was held to interest students of Polish descent in joining the organization.

In November, the organization held its square dance jubilee and in December sponsored the annual Christmas Formal. The largest event of the year, the Easter Dance, was held in the early part of April. Proceeds from the dance went into the Scholarship Fund. In the latter part of May a banquet was held for all of the members. In addition, the club sponsored a bowling league, two basketball teams, and beach parties during the summer. The club advisers are Dr. Janina Adamczyk and Stephen Markowski. Joanne Lukasiewicz is secretary, Norman Musialowski, reporter, and Melvin Kolinski is sergeant-at-arms.

OFFICERS

President	Joyce Reiter
Vice-President	Betty Allen
Recording Secretary	Ruth Hawkins
Corresponding Secy.	Florence Beran
Treasurer	Fadwa Haney
Chaplain	Lou Davis
Reporter and Historian	Joyce Mitchell

The University Young Women's Christian Association is one of the largest groups on the campus with a membership of 210. All women on campus are eligible for membership in the organization; membership fee is one dollar each semester.

Purpose of the University Y.W.C.A. is to develop leadership among its members, to help freshman women adjust to the life of the campus, to develop wholesome friendships and interests, and to cooperate and offer its services to the University and to the community. The Y.W.C.A. seeks to stimulate interest and participation in the religions programs presented on the campus.

Activities of the past year included an afternoon open house and hobo dance for entering freshmen, a big and little sister party, a hayride and roast, an open house at the Y.W.C.A., the W.S.S.F. Bucket Drive and Carnival, a Christmas Party, a sledding party, a George Washington Party, and a mother's tea.

Mrs. Floyd Radabaugh, adviser to our group, and an advisory board, composed of faculty members and faculty wives, guides the Y.W.C.A. in both its social and educational activities.

Y. M. C. A.

OFFICERS

President	Dick Goodwin
Vice-President	Ray Busick
Secretary	John Huddle
Treasurer	Bill Lloyd

The Y.M.C.A. provides a religious, social, and world program for all full-time male students at the University. Membership is open to all races, colors, and creeds. The purpose of the University Y.M.C.A. is to develop leadership among its members, to provide wholesome friendships and interests, and to cooperate and offer its services to the University and the community. The Y.M.C.A. seeks to stimulate interest and participation in the religious services and other convocations presented on the campus.

The activities for the year were a combination of educational and social programs. This year the Y.M.C.A. and the Y.W.C.A. worked together in the majority of their programs. The year started with a week-end cabinet retreat at Lakeside, Ohio for both groups. Following this the Y's sponsored Freshman Week, holding for the second time the Hobo Dance-Roast and an open house for all new students. The Y's also sponsored the W.S.S.F. drive and carnival and contributed to W.S.S.F. headquarters. Throughout the year lectures were sponsored by the Y's on the subject, "Religion in a Practical Life."

In addition to the educational and religions programs the groups held social events. Several open houses took place with refreshments, dancing, swimming, cards, movies, and ping pong at the main Y. In October a hay ride and roast were held at Pearson Park. Before Christmas vacation a supper party was given and in February the annual George Washington Party honored all foreign students on campus.

The University Y.M.C.A. is active in state and national affairs. Representatives were sent to conferences at Columubs, Cleveland, Chillicothe, and Geneva, Wisconsin during the year. The president served on several state committees this year.

The years' program was divided into commissions: World Welfare with Lew Heldt as its commission head and the Religious Commission under Paul DeWitt.

The Y.M.C.A. is advised by Professor James Cobb and Professor Homer Dunathan who have aided greatly in its social, educational, and religious programs.

ELEMENTARY EDUCATION CLUB

OFFICERS

President ... Evelyn Schliesser
Vice-President ... Nona Jean Zang
Secretary ... Sue Niles
Treasurer ... Lois Foor

The Elementary Education club was formed to give students in this field a better understanding of the aims, purposes and methods of the elementary education field and to provide for the exchange of knowledge and ideas among the students and those already in the profession.

The group holds monthly meetings, which are frequently supper meetings, in the Elementary Education room. The suppers are followed by informative programs at which guest speakers, seniors who are practice teaching and members of the faculty lead the discussions. Outside speakers were invited to speak on various subjects.

The year's program was varied and included such functions as the annual orphans' Christmas party given this year for the children at the Lutheran Neighborhood Home, a booth in the W.S.S.F. Carnival, and a Christmas party for the members of the club which was followed by a serenade of the faculty apartments by the group.

The club is open to all full-time students in the College of Elementary Education and is advised by Dr. Cunningham, Dr. Carver, and Miss Oswald. Miss Holt, a former member and organizer of the club returned this year as a member of the staff.

PSYCHOLOGY CLUB

OFFICERS

President	Robert Holt
Vice-President	Robert Walinski
Secretary	Jean Clark
Treasurer	Jack Roberts

The Psychology Club of the University of Toledo first met on November 13, 1948, when the first officers were elected and a committee was chosen for drawing up the constitution. After approval of the constitution the club was officially recognized as an active group on campus.

The purpose of the club is to promote interest in and discussion of topics in the field of psychology. The requirements for membership are nine hours in psychology, sufficient interest in the group and approval of the executive board.

During the year, the club was addressed by Miss Carpenter from the Child Study Institute who spoke on "The Psychological Functions of the Child Study Institute". Mrs. Walters, psychologist at Ottawa Hills School, discussed "Educational Development of the Child" with members at a later meeting. Dr. Gordon L. MacDonald conducted a discussion concerning the nature of clinical work at Toledo State Hospital and Dr. Rudolf Lassner of the Child Study Institute, explained and discussed the function of psychodrama.

One of the club projects was to determine the nature and extent of vocational guidance offered at the university. Mr. Charles Barefoot of the guidance center at the University told of the type of help given and also about the process of testing. Discussion followed the addresses.

The program for the 1949-1950 year included field trips to various institutions and discussion periods on such topics as mental telepathy and hypnosis.

Faculty adviser is Mr. Milo Stephens.

RAY STANBERY
Editor

CAMPUS

Inside a small, often unnoticed room, a weekly newspaper is assembled that has won prizes almost annually since its founding for being "The Best Ohio College Weekly". Collegian staff members are proud of this title for it represents a small portion of the hours they spend every week interviewing campus personalities, pounding out reams of copy and waiting for the printer to deliver the first page proofs.

Besides its honor as "one-of-the-best", the Collegian is also affiliated with the Associate Collegiate Press, Intercollegiate Press, National Advertising Service and Alpha Phi Gamma, a national journalism fraternity.

This year the Collegian lost its capable editor, Ray Stanberry, at the end of the first semester. Ray improved the make-up and style of the paper with an efficiency the University hated to lose. His paper was one of the best the school ever published. Agnes Kaiser, managing editor, served as acting editor until Doug Koder was promoted from associate editor to the position of editor-in-chief in February.

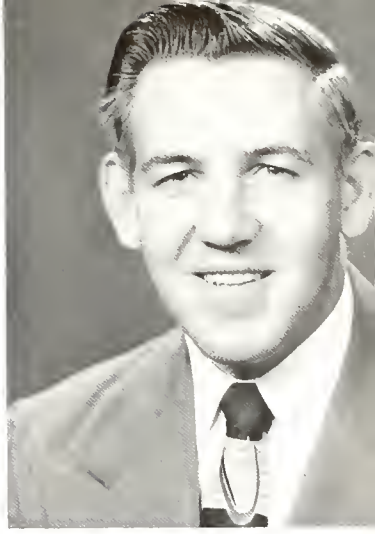
Front Row—Crothers, K.; Ludlum, M.; Martin, P.; Kaiser, A.; Krause, S. Back Row—McCool, Wm.; Vellequette, G.; Koder, D.; Zelles, P.; Kaiser, B.; Brunskill, P.
Bob Mallory, Business Manager; Ray Stanberry, Editor-in-chief.

COLLEGIAN

Sports editor Pete Lopez was replaced by Fred Mollenkopf when Pete was graduated with the February class. Katie Crothers, who also writes a weekly column for the Toledo Sunday Blade, was this year's news editor.

Dorothy Fash became society editor at the beginning of the year, while at the same time Peggy Oberle advanced to campus editor. The business staff included Bob Mallory, business manager, Phil Brunskill, advertising manager and Bert Kaiser, circulation manager.

Advisors to the paper are Jesse R. Long and R. E. Dillon.



ROBERT MALLORY
Business Manager

AMATEUR RADIO ASSOCIATION

OFFICERS

President.....Harold A. Conklin, Jr.

Vice-President.....Robert D. Swiss

Secretary.....Virginia Schoor

Treasurer.....Sterling Copeland

The University's own radio station, W8HEM, was designed, built and is operated by student members of the University Amateur Radio Association. W8HEM is licensed by the Federal Communications Commission and transmits on special short wave bands set aside for radio amateurs by the government. Unlike most radio stations, W8HEM transmits neither entertainment nor propaganda, but a specialized brand of informal chatter about the weather, "rigs", modulators, antennas and the like, which is most familiar to the radio "ham".

Amateur radio is a hobby with a background closely allied to the principles taught in the Electrical Engineering Department and E. E. students who belong to the Amateur Radio Association find that participation in organization activities gives them an opportunity to apply in practice the things they have learned in the classroom. Student members from other departments enjoy amateur radio as a useful hobby.

Principal activities of the Association during 1949-50 were the completion of construction of its new high-powered radio transmitter, rotary beam antenna, and associated equipment. Using this "rig", located in the radio shack in the rear of the electrical engineering laboratory, members chat regularly with other radio "hams" in all parts of the world.

Full membership in the organization is limited to those students who hold amateur radio operator's licenses; associate membership is granted to students interested in obtaining such a license through club activities.

Associate Professor Robert E. Weeber is adviser to the organization.

The German Club of the University of Toledo is organizaed to promote a better understanding and greater appreciation of Germany and the part it has played in the making of Western Civilization. The many activities of the group work hand in hand with the classroom language instruction.

German folksongs and carols were sung and customs discussed at this year's meetings to afford an insight into the rich folklore of the country. Movies and slides were shown to acquaint the students with Germany and the German people. The meetings also provided an opportunity for students who wished to practice their linguistic talents.

Highlights of the year were the W.S.S.F. Carnival, the singing in German of familiar Christmas carols, an old-fashioned Yule-tide party at which German dishes were served, the Goethe Abend in honor of Johann Wolfgang von Goethe, German scientist and author; and a picnic at the end of the year.

Advisers of the group are Mrs. Margaret Erausquin and Mr. Herbert Schering.

DER DEUTSCHE VEREN

PYRAMID CLUB

Huntley, B.; Frazier, E.; Robinson, G.; Reed, G.

Pyramid Club, a pledge group to the national Delta Sigma Theta which was founded in 1913, began the year's activities with one of the largest memberships in its history. Two parties were held in September and at the candle light pledge service in October. 16 freshman women were taken into the organization. Thanksgiving was celebrated with the annual Thanksgiving Dance held at the Student Union. A bazaar for the W.S.S.F. drive occupied members during December. In January, the Pyramid Club participated in Delta Sigma Theta's Founders' Day program. A program of extra-curricular activities completed the year on campus.

Purpose of the organization is to promote understanding and the spirit of sisterhood among members as well as to keep high scholastic standards. Corresponding secretary for the group was Mary Sue Harding.

Mrs. Frank Lightfoot is adviser.

OFFICERS

President	Joyce Browne
Vice-President	Lenore Wiley
Recording Secretary	Donna Curtis
Treasurer	Geraldine Reed

ROCKET BAND

Band activities at the University of Toledo are divided among four musical groups: the Symphonic Band, the Rocket Band, the R.O.T.C. Band, and the Orientation Band. The University of Toledo Symphonic Band is active both semesters of the year. Membership in this organization is by audition, and the enrollment this year exceeded sixty members. Symphonic Band meets for three one-hour practices a week for one hour of academic credit. Much of the energy of this group is directed toward preparation for the winter and spring concerts. The Symphonic Band also presents a series of outdoor spring concerts each year, featuring popular favorites and light classical numbers.

The University of Toledo Rocket Band functions only during the football season. Membership in this group is normally open only to percussion and brass players, which results in a smaller group characterized by its snappy maneuverability. This is aided by discarding slide trombones in favor of more maneuverable upright bell-front valve trombones. The Rocket Band practices two hours each night—Monday through Friday during football season. No academic credit is granted for participation in the Rocket Band, but men students may substitute the activity for required physical education courses. At present, band awards are as follows: for two years' service, a pin in the shape of a football field bearing the words "Rocket Band", for three years' service, a blue cardigan sweater with the Rocket Band emblem on the pocket; for four years' service a yellow letter "T" for the sweater.

Mr. Charles Harris is the adviser of the group.

MASONIC CLUB

The purpose of the Masonic Club is to promote fellowship among all Masons affiliated with the University of Toledo, which includes both students and faculty members. The requirement for membership is that the individual be a master Mason in good standing.

The club's activities are mainly social. This year weekly business meetings were held, and once a month the club sponsored a large social affair. Monthly social programs for the past year included parties, dances, roasts and picnics.

Club members visited various lodges in Toledo at different times and Masonic experiences were exchanged among the members for their understanding and enlightenment. The Masonic Club also endeavors to help students at the University who are taking their Masonic Degree work.

IVY LEAF CLUB

Row 1—Johnson, K.; Fleming, B.; Anderson, J.; Johnson, E.; Huston, O.; Pearson, V. Row 2—Fikes, A.; Bell, C. Row 3—Mitchell, E.; Forrest, M.; Liggens, W.

The Ivy Leaf Club, Pledge Group to Alpha Kappa Alpha, plans its yearly activities and carries them out under the guidance of the national sorority.

The Club began the year with a party for entering Freshmen women. Vivian Pearson was chairman of the event. A Tea was held for the new pledges and new officers were elected. At the W.S.S.F. the Club operated a Brazilian booth which won third prize in the competition. Gladys England was the group's chairman for the event. The Club's colors of pink and green were used as background for the booth.

During the Christmas holidays, the Club donated a basket of groceries to the needy and distributed toys to the children at the orphanage. The New Year was celebrated, welcomed at a joint party held with the Sphinx Club.

Purpose of the Wesleyan Fellowship is to unite Methodist students on the campus in a single group so that they may become better acquainted with each other, plan worship and social activities together, develop high character standards, and mutually pursue a higher education.

The Fellowship meets once a month. This year regular business meetings were held on campus and religious programs were held in local churches. Margaret Huddle was in charge of all social events and Don Powsland was in charge of all religious meetings. Rev. L. Loomis, director of church recreation for the Toledo district, was the caller for the group's square dance which opened the social activities of the season. A dance and splash party was held during December at the Y.M.C.A. Similar social events followed business meetings throughout the year.

Worship services held at local Methodist churches were followed by informal discussion periods. During the spring vacation, a special program was given for past members now in theological schools.

The club is linked to other Wesleyan Fellowships on campus of colleges and universities in the country and is affiliated with the Toledo District Methodist Office. Chaplain for the group this year was Don Powsland. Professor Richard Eustice is club adviser.

OFFICERS

The Society for the Advancement for Management, which includes students from both the Business Administration Department and the College of Engineering, opened the 1949-1950 season with a fall membership campaign which netted 30 new members for the organization.

During December, the group combined with the Business Administration Club to sponsor a panel meeting on the area wide pension plan. They obtained Earl Grebe, of WSPD, as guest commentator and invited downtown members of the Society for the Advancement of Management to join in the discussion period which followed the panel, which also served as a springboard for future debates.

Meetings were held in Room 321 twice a month. Adviser to the organization is professor Philip J. Henzel.

ALPHA PHI OMEGA

(NATIONAL)

OFFICERS

President . . . . . Robert Oberly

Vice-President . . . . . Edward Fanning

Treasurer . . . . . Roy Lockwood

Recording Secretary . . . Fred Schmidlin

Zeta Lambda chapter of Alpha Phi Omega, national service fraternity, continued its campaign to assemble college men in the fellowship of the Scout Oath and Law, to develop friendship and to promote service to humanity throughout the 1949-50 school year. This program embodies four fields of activity which are: Service to the student body and faculty, service to youth and community, service to members of the fraternity and service to the nation as participating citizens.

Being a service fraternity, Alpha Phi Omega crosses all lines of honorary, social and professional fraternities; and thus members of other campus organizations may also be active in this fraternity. Through the cooperation of other organizations the program of Alpha Phi Omega is most effective.

There are two fundamental requirements for active membership in Alpha Phi Omega: (1) that the student has had previous experience in the Scout Movement; and (2) that he prove an earnest desire to render service to others. The first of these is a prerequisite and the second may be attained during the pledgeship period.

The opening of the fall semester of 1949 was Alpha Phi Omega men on duty at all times during final registration to assist the many bewildered freshmen and anyone else who seemed to be having difficulty.

Other major projects carried out by Alpha Phi Omega in 1949-50 were cleaning brush and small trees off of the hillside on the west side of the Glass Bowl Stadium, taking twenty-five children from the Lucas County Childrens' Home to the Toledo-University of North Dakota football game, decorating the tower for Christmas, taking a Scout census of the student body, and distributing baskets at Thanksgiving and Christmas. Numerous other minor projects were carried out from day to day for instructors, organizations, and groups who requested the services of the chapter.

Other officers of the group are: Corresponding secretary, Myron Schiller; historian, Joe Gravell. The senior faculty adviser of Alpha Phi Omega is Mr. Edward S. Foster.

SIGMA MU TAU

Sigma Mu Tau was founded at the University of Toledo on April 25, 1911 as an honorary sorority for students in medical technology. Membership now has been broadened to include women in pre-medicine, education students with a biology major and biology students in general. Membership requirements are 26 hours with an accumulative average of one point five.

The purpose of the sorority is to bring together those women of the University who have a common interest in the biological sciences, to stimulate their interest in these sciences, to further the cause of biology and to offer social contact with other people in the same field.

Activities of the year were social as well as academic. Pledging and initiation were held in the fall and in the spring. In November the group sponsored a program and tea with the Northwestern Ohio Society of Medical Technologists and a high school program with the same group in May. April brought the group's annual service project of blood-typing which included the determination of Rh-factors.

The annual Founders Day banquet was held on April 25th and formal initiation of officers for next year was held in June. Other social events included teas, lectures and field trips.

Advisers to the group are Dr. Archie N. Solberg and Miss Alma M. Stoiber.

POLYMATHIC SOCIETY

OFFICERS

President . . . . . James Huffer
Vice-President . . Carol Ann Cousino
Secretary . . . Dorothy Hickerson
Treasurer . . . George McMahon

The purpose of the Polymathic Society is to bring together, socially and professionally, a group of students with varied talents and interests. The word "polymathic" refers to many fields of learning. The organization is beneficial in giving members the opportunity to present the results of their work and study—either academic or non-academic. It also seeks to develop and broaden the knowledge and personality of members by the exchange of ideas and through interest in the activities of others.

While most clubs are made up of people with one common interest, the Polymathic Society draws its members from all colleges and departments of the University. The motto, "Je Seme a Tout Vent" indicates an aim toward broader, fuller living.

Monthly meetings of a business and social nature are held in the homes of the members. This year talks and demonstrations were given by members and invited guests. Among the subjects presented were: photography, astro-physics, hypnosis, radio production, and fishing techniques. At the December meeting Michael V. DiSalle, Mayor of Toledo, reviewed his travels in Europe for the group.

Members and guests participated in social activities which included a square dance, roast, potluck supper, splash party, a Valentine party, and a trip to Greenfield Village. As a special project this year the Society has sent money and materials to a German Youth Activities center in which a former member, Donna Schlembach, is working as a leader.

Dr. Wayne Dancer is the adviser.

TOWER VIEW CLUB

Purpose of the Tower View Club, composed of the twenty-two women who live in Florence Scott Libbey Hall, is to promote the best interests of the dormitory residents, to secure a close union of members, to maintain high scholastic, moral and social ideals, and at all times to strive for the advancement of the University of Toledo.

During November, Libbey Hall was entertained by a mixer given by MacKinnon Hall; in December another party was given by Dorm "M" residents. Before Christmas the women carolled, held a gift exchange and an informal party. Soon after returning to school the Holiday Dance was held in the Student Union and later an open house honoring residents of the men's dorms was held. Each month the birthdays of women in Libbey Hall were celebrated with a party.

Requirements for officers of Tower View Club are a 1.0 for seniors, 0.9 for juniors, and 0.7 for sophomores. This year, Mary Ann Slack served as freshman representative for the group. Housemother and club adviser is Mrs. Gwen Wiggins.

KAPPA GAMMA

OFFICERS

President	Barbara Worden
Vice-President	Donna Rowe
Secretary	Norma Downing
Treasurer	Alice Barszcz

On November 30, 1915, in the dispensing laboratory, Kappa Gamma, Women's Honorary Pharmaceutical Sorority, was founded by Catherine Glendenning and Flore Terada.

The badge chosen as the material symbol of Kappa Gamma is a small gold mortar and pestle with the Greek letters for Kappa Gamma inscribed upon it.

The purpose of Kappa Gamma is to unite the women students in pharmacy and to acquaint them with the different phases of pharmacy so that they may more effectively serve themselves, the profession, and society.

Any woman enrolled in the College of Pharmacy who has maintained a semester average of 1.0 for twelve or more hours is eligible for membership.

Although a comparatively new group on the University campus, Kappa Gamma has started the machinery for affiliation with a national women's pharmaceutical association.

In April, during National Pharmacy Week, Kappa Gamma's display consisted of a large map of the City of Toledo with the name and place of employment of each member attached to the map by ribbons. This organization also had charge of the refreshments served during the open house.

Adviser is Mrs. Gertrude Burg.

INSTITUTE OF AERONAUTICAL SCIENCES

OFFICERS

President . . . . . Mark Pownall

Secretary-Treasurer . . Marion Antonini

The Institute of Aeronautical Sciences is a national organization of which the Toledo University is a student chapter. It promotes the interests of the students in the aeronautical field of engineering and its aim is to advance the scientific knowledge and prestige of the aeronautical profession. Requirement for membership is enrollment in the Mechanical-Aeronautical option at the University.

Activities for the year consisted of an organization meeting early in the fall and several meetings during the year at which talks by guest speakers outlined latest developments in the aeronautical engineering field.

A program was presented during December at the Student Union at which Dr. Andrew Fejer, head of the aeronautical department at the University gave a talk on jet propulsion in transportation, and Dr. John Turin, head of the Physics department, spoke on combustion problems in the jet engine. The third talk presented was by Mr. Kenneth Moan, research engineer who talked on the vibration problems in the turbine wheel of the jet engine. Movies explaining the principles of jet propulsion were also shown.

William Wenslau advises the organization.

The last cry of "Who's got the paste pot?" dies down and the Blockhouse staff wearily emerges from solitary confinement into the late spring sunlight. It is finished!

Behind the door of 218 in which the staff retired early in the fall varied activity has transpired. First the book was planned then a photographer was sent out to snap people in their worst moments. Subscribers were sent with tin cups and dark glasses to collect the necessary funds to publish.

Photo-Reflex received a booming business from the University seniors after they promised a large rebate for the Blockhouse staff's annual party. Organizations huddled in the chilling winter winds to be photographed for posterity. Subsequently they were hounded for write-ups of their activities for the year. Seniors wracked their brains to remember the activities and committees they had served on for the last four to ten years.

Editors took courses in sandscript in order to decipher the names of people while panel editors struggled to learn the mechanics of the slide rule. Several fingers were lopped off by a paper cutter as pictures were trimmed to the desired size and gallons of paste were used to paste a dummy book together and to glue on hair that was torn out by frustrated editors. The book began to take shape.

The last cry of "Who's got the paste pot?" died down and the Blockhouse staff once again goes to class. It is finished!

PI GAMMA MU

OFFICERS

President . . . . . Pat Peterson
Vice-President . . . Mrs. Ellen McKitrick
Treasurer . . . . . John Kirschner
Secretary . . . . . Dorothea Jenson

Pi Gamma Mu is the national social science honor society of which the University of Toledo's Beta chapter is a charter member. The purpose of the Ohio Beta chapter, founded in 1924, is to inculcate ideals of scholarship, scientific attitude and methods, and social service through the study of all social problems. The aim, to instill in the minds of members scientific attitudes toward social questions, is achieved chiefly through a program of guest speakers who interpret contemporary problems clearly and impersonally for the social science student. Among the guest speakers who addressed the group this year were Gordon Jefferies, Donald Munson and Felix Gentile. After each speech there was a discussion period.

Twenty hours in the social sciences with a B average, with no failures in any academic subject, is the requirement for membership in Pi Gamma Mu, a widely recognized honorary. This year's officers included Wilfred Spranger, corresponding secretary. Mrs. Floyd Radabaugh and Dr. Janina Adamczyk are advisers to the organization.

Pan-Hellenic Council started the year with the annual Freshman Tea. At this time the rushing procedure was explained. The sorority open house and rush season which followed were supervised by the Council. Sorority representatives from colleges in the surrounding area were entertained at a workshop where they discussed mutual problems. The year ended with the spring banquet at which new members were installed.

The school year began with a bang for Alpha Chi Omega. The calendar was filled before you could say "Convention," a word frequently used by those delegates who had brought back new songs and plans with them from the convention held in Pasadena, California. A hayride touched off the spark in the chain of social events, followed by such highlights as a visit from a national officer, a square dance, an all-fraternity party, an open house Christmas tea, and the eagerly awaited spring dinner-dance.

Alpha Chi's claimed their share of the spotlight, both social and honorary, in school activities. President of the Sophomore Class was Marilyn Ansted, also secretary of the Fine Arts Club. Marge Medon was president of F.T.A. Jane Reisner was vice-president of Phi Alpha Theta and secretary of F.T.A. Mary Ann Papenfuss wielded the gavel of the W.A.A. Other officers in the W.A.A. were Glenda Crosby, secretary, and Jeanne Decker, head of basketball. Cynthia Vaselo was president of Sigma Mu Tau. Bonnie Smith presided over the International Relations Club and Joyce Miller over the Tower View Club. The Alpha Chi's were very proud of Pepper Dorothy Zackrisson and of Homecoming Queen candidate Marilyn Mead.

This year marked the continuation of the publication, the *Alpha Chi Omega Newsletter*, a pledge project which proved to be so successful that it was taken over by the active chapter.

The traditional banquet given in honor of graduating members said goodbye to the successful school year and said hello to the thoughts of cottage and summer fun which lay ahead.

1949-50 was a busy year for all the members of AOPi. The year began with a party for the other sororities on campus. In October the annual Margaret Nachtrieb Tea was held in honor of a former adviser. This tea supports a scholarship awarded each year to the outstanding woman history student at the University. At the Whitehouse Welfare Farm, a group of children from the Lutheran Orphanage were entertained at an outdoor party.

In November the annual Clothesline Party was held at which clothes were gathered for needy people in Kentucky. That weekend the National Alumnae president, Mrs. Robert Lindrooth visited the University and was entertained with luncheons and teas. Thanksgiving was celebrated by a hayride at Pearson Park. December was highlighted by the Christmas Carol Party and an open Christmas dance, the traditional Rose Ball.

Many AOPi's were quite active this year. Pat Warren was treasurer of the Junior Class. Betty Draper, a Pepper, was senior women's representative to Student Council. Lois Kachenmeister was sponsored by Chi Rho Nu fraternity as their candidate for Homecoming Queen. Miss Kachenmeister and Irene Nakos were candidates for Glass Bowl Queen, as well as Rose Van Dorp who was sponsored by Pi Rho Sigma fraternity. Betty Allen was vice-president of the Y.W.C.A., while Fadwa Haney was treasurer and Joyce Mitchell was historian. Miss Mitchell is also a member of Fine Arts Club. Jackie McLain was co-chairman of the Sophomore Prom and Barbara Mishler was secretary of the Spanish Club.

Second semester began with relief after exams and with renewed vigor. The fraternities on campus were entertained with two successful parties. Spring saw the approach of the AOPi spring dinner-dance and the senior luncheon, at which a fond farewell was said to the graduating seniors. Soon all these events became memories and AOPi looks forward to the coming year.

"You can tell a Chi Omega" . . . you can tell her this year by a Lake James tan acquired in two weeks in Indiana and her activities which began with a September scholarship dinner. Nona Zang was recipient of the scholarship ring while Carrollee Hefty won the bracelet for highest improvement in grades.

October 5th marked the Fall Eleusinian, annual Chi O reunion, followed by a birthday party. Five candles topped the cake, marking Chi O's entrance five years ago as first national sorority on campus.

Black cats, candlelight and fortune tellers haunted the Student Union for an all-fraternity superstition party. Seated below signs of the Zodiac, seven fraternity groups were entertained with a superstition skit.

"Let's Break a Record" was the Chi O theme for Homecoming and the huge records spinned to second place in the float contest. Donna Rowe and Pat Dressel were Chi O candidates who sought to wear the Homecoming crown.

After delivering a Thanksgiving kindness basket, Chi O's decorated El Rancho for the annual all-sorority dance. An open house preceded the dance at which Dave Bender who was elected Punch Bowl King, and presented with a punch cup inscribed with his 1949 title. (Runners-up John Braddock and William Feil received flowered crowns for the coronation ceremonies.)

Officers Pat Stacey and Bonnie Whately were among six Chi O's who entered Glass Bowl competition along with Lois Wharton, Becky Meek, Shirley Fair and Ruth Hawkins.

Caroling at William Roche Hospital came with the sorority Christmas tree, quickly following announcement that Katy Crothers and Jane King, were elected to Who's Who Among Students.

DELTA DELTA DELTA

OFFICERS

President..... Betty Gerken

Vice-President.....Joanne Ahlfors

Secretary.....Carol Cromwell

Treasurer.....Louise Milne

As they sat around a blazing fire, Tri Delta sang songs and talked about the fun they had had throughout the summer. Hot dogs and potato chips were gobbled between words. This all took place at the "Back to School" roast which officially opened the school season for Tri Delta. Shortly after this, all fraternity men were entertained at the Tri Delt all-fraternity party. Reasonable facsimilies of gypsies, hobos, convicts, and well-known characters were present at the masquerade dance held in October for the Tri Delts and their dates.

Strains of "Silent Night," "Away in the Manger," and other carols were heard far into the night, when Delta Delta Delta held its Christmas caroling party. A Christmas dinner-dance was another big event at which Tri Delts celebrated the Yuletide Season.

In the spring a Tri Delt's fancy naturally turned to thoughts of the annual tea for their mothers. An informal dance for members and their dates was also a big hit during this season.

The Tri Delts beam with pride when they think of the active part their members take in school activities. The Tri Delta Sextett helped to build up school spirit during football rallies. One member of the sorority, Elda Cauffiel was vice-president of the Women's Athletic Association, while Tri Delts Pat Binding, Louise Milne, Marilyn Boysen, and Joanne Ahlfors were on the executive board. Miss Cauffiel and Maryse Kelley are both members of Peppers, honorary society for women. Miss Kelley was president of that group and also president of the Radio Workshop. Tri Delta had its share of beauties too. Lois Fralich, Betty Gerken and Margie Green were all in the Homecoming Court.

To close the year Tri Delta had its annual senior banquet. Here the girls bid a fond farewell to their graduating seniors, and to another wonderful Tri Delt year.

Row One—Fish, G.; Lauber, J.; Kramb, P.; Timson, M.; Balsmeyer, S.; Davies, J.; Foor, L.; Bires, P. KAPPA DELTA

Kappa Delta sorority was founded at Virginia State Normal College in 1897. In April, 1946, Zeta Gamma Phi became Beta Nu, seventieth chapter of Kappa Delta.

A roast at Lakewood, Michigan was the beginning of the social activities for this year and they all had a marvelous time. On October 23, Kappa Delta Founders Day, Beta Nu chapter was invited to celebrate with Beta Mu chapter at Bowling Green State University. Kappa Delta's developed a great liking for hockey when they sponsored a Toledo Buckeye Hockey game. November 19, they held a formal party for the upperclass pledges. In November, December and January members entertained campus fraternities. An open house was held for the Cincinnati chapter after the Glass Bowl Game. December 12, a style show was held at the all-sorority tea in the Student Union. In February, they entertained Dorms M. L. MacKinnon and Connelly Halls in the Student Union. Spring brought along the annual apple polishing tea for the faculty, given by the pledges; an alumni party and a tea for the Mothers Club. Then came the long awaited sorority spring formal which was held at the Maumee River Yacht Club on April 29. The last activity of the year was the senior banquet when members bid farwell to the graduating sisters.

Kappa Delta's holding offices and on committees were. Shirley Williams, secretary of the Senior Class and co-chairman of the Thanksgiving Dance. Jean Clark was secretary of the Psychology Club. Donna Phelps was chairman of the Homecoming coronation. Dorothy Saloff was selected to Kappa Delta Pi.

PI BETA PHI

OFFICERS

President . . . . . Marianne Chambers
Vice-President . . . . Marilyn Hofmann
Recording Secretary . . Elaine Sautter
Corresponding Secretary . Mary Spieker
Treasurer . . . . . Marjorie Lunn

Pi Beta Phi, as one of the leading sororities on campus, continued to maintain its high standing in all phases of college life—a top scholastic record, a varied social calendar, many activities and sports participation.

Under the able guiding hand of Mary Spieker, members were encouraged to keep up the sorority grade average and to surpass the past year's standing, one that has always been high for Pi Phi.

The sorority's social agenda was full to the brim. A faculty party began the school year and, following that, a very successful all-fraternity party. The annual Backwards Dance again took a prominent place in the group's activities, arousing the interest of the newspapers which gave it a front page spread.

Christmas time found Pi Phi's gathered together in the Crystal Room of the Commodore Perry Hotel for their annual formal dinner-dance.

Rounding out the program for the sorority were the frequent Pi Phi nights when members met in the apartment to make small talk and to sing their lovely sorority songs.

Active women—Pi Phi's got 'em. Included among the members of Peppers, women's honorary, were Pi Phis Marianne Chambers, who was secretary-treasurer, and Agnes Kaiser. The two were also named to Who's Who Among Students. Miss Kaiser was acting editor-in-chief of the *Campus Collegian* while Dorothy Fash was society editor.

Miss Chambers served as representative-at-large on the Student Council. The BLOCKHOUSE listed many Pi Phi's on its staff. With top position were Miss Kaiser, senior editor; Beulahjean Markhus, organizations co-editor; and Bea Kiker and Mary Frances Dolan, art co-editors. Miss Dolan was also co-editor of the Freshman Handbook.

Two new events for the sorority were a new sorority advisor, Mrs. Gwen Wiggins and the beautiful redecorattion of the apartment under the supervision of Miss Spieker.

Row One—Duffey, M. P.; Wenner, J.; DeVinney, P.; Chambers, M.; Lunn, M.; Sautter, E.; Kiker, B. Row Two—Glennon, R.; Luther, M.; Fash, D.; Coy, D.; Feak, M. SIGMA PI DELTA

OFFICERS

President	Jacqueline Velleman
Vice-President	Sue Kipperman
Secretary	Maxine Siegman
Treasurer	Edythe Frank

On February 2, 1950, Sigma Pi Delta celebrated the 19th anniversary of their founding with a banquet at the Toledo Women's Building. This affair was not the beginning of the year's activities, however, for their social calendar began early in the summer months with an all-day picnic in July in the Irish Hills.

Early in October a football party was held. The group and their guests attended the Springfield football game and then for a hamburger roast at Side Cut Park. Their Dog-Gone Good theme float for Homecoming was fun for members to work on.

Later in November, a theatre party was held which consisted of a dinner preceding the theatre.

Tea and crumpets for Mrs. J. D. Stafford, Sigma Pi Delta's adviser, were on the agenda for December with the traditional tea in her honor. For the holiday season Sigma Pi Delta progressed to a 5-course supper dinner.

January brought in a sleigh ride as well as the cold weather.

Members were quite pleased with their dance held in March given by the alumnae and with the Backwards Party in April.

The spring was climaxed with a lovely formal dance at the Hillcrest Hotel and a senior farewell in June.

Sigma Pi Delta is very proud of Jacqueline Velleman who presides over all the meetings. Her capability and efficiency was exceedingly great. Besides her work with Sigma Pi Delta, she was a very active member of Kappa Gamma, Who's Who, American Pharmaceutical Society, Biological Society, Chemical Society and even president of Pan Hellenic Council.

Sue Kipperman was quite active in International Relations Club besides her work as a loyal vice-president.

Maxine Siegman was kept quite busy this year with her work in internship for Medical Technology at Mercy Hospital.

ZETA TAU ALPHA

OFFICERS

President ..... Janet Dietrich
Vice-President .... Frances Chapman
Secretary ..... Marilyn Kohn
Treasurer ..... Dona Hathaway
Historian ..... Nancy Brown
Rush Chairman ..... Doryce Peppers

Zeta Tau Alpha was the first national sorority to be chartered in the State of Virginia in 1898. With the installation of Tau Delta Sigma, November 15, 1946, the Zeta's established their eighty-first chapter on the University of Toledo campus.

A back-to-school potluck supper began the year for the Z.T.A.'s. Midst much hammering and painting, October saw the first results of extensive plans for redecoration, under the watchful guidance of Nancy Brown and Leigh Held. Founder's Day was celebrated by a banquet for active and alumnae members at Charlie Mark's Top O' The Mark. The gala Homecoming week was topped off with a slumber party in the home of Miss Held. Zeta's third anniversary on the University campus was observed with a potluck dinner in the sorority apartment. A Thanksgiving roast for active members was planned by Dorothy Benson. Margaret Teeter and Jean Benson ably supervised our candy and bake sales for the year. The Christmas Dance for alums and actives was given at the Hillcrest on December 26. "I'll bid—" could be heard frequently during the evening in the Wallbridge Park Shelter House as the Zeta's held their annual card party. They also sponsored an annual rummage sale with success.

Many Zeta Tau Alpha's could be seen participating in extra-curricular activities. Theone Gerst was elected vice-president of the Senior Class, and Nancy Brown secretary of the Junior Class. Miss Benson became a member of Peppers. Virginia Haynes ruled as president of the Lutheran Students Association, and Velma Egarius served as co-chairman of the W.S.S.F. Connie Netter and Miss Haynes were elected for the W.A.A. Tournament Hockey Team. Frances Chapman and JoAnn Hein joined Sigma Mu Tau, women's biological honorary society.

The year ended happily and successfully with the annual Senior Banquet.

Row One—Held, L.; Prudden, B.; Hathaway, D.; Peppers, D.; Brown, N. Row Two—Dietrich, J.; Netter, C.; Benson, J.; Hein, J. Row Three—Egarius, V.; Gross, S.; Benson, D. Row Four—Teeter, M.; Haynes, V.; Walker, G.

INTER-FRATERNITY COUNCIL

OFFICERS

President	Paul Stutz
Secretary-Treasurer	Jack Evans

The Inter-Fraternity Council started the year with the annual Fall Dance. This was followed by a smoker at which Freshmen were entertained and rushing was explained. The All-Fraternity Banquet was held under the auspices of I-FC as was the Spring Dance. In addition I-FC set up and supervised fraternity rushing.

ALPHA GAMMA UPSILON FRATERNITY

In early fall Theta Chapter of Alpha Gamma Upsilon was host to its National officers, welcoming them to Toledo University for a two-week regional conference. Then, mindful of the varied talents and interests displayed by its actives, it launched its new party-a-week policy which offered a wide scope of activities. Included in the informal calendar were roasts, stag parties, dances, sports, jam sessions, and after-game fraternity open-houses at the apartment.

Complimenting the informal slate was the formal program, which included the initiation and activation of pledges; the observance of Founder's Day, October 9th; the annual party for graduating seniors; the national convention at Ft. Wayne, with its accompanying formal dance; and the annual Christmas Formal at the Maumee River Yacht Club, December 18th.

Interesting behind-the-scene activities were as follows; the publication of the *Theta-Data*, made up of chapter news and humor, the introduction of a wire-recorder to streamline business meetings; the production of several original comedy skits, in keeping with the high plane of live entertainment adopted by Alpha Gamma; and the formation of a fraternity chorus.

Alpha Phi Omega fraternity, determined to make their 28th year on campus one of their most successful, immediately made their presence known in University social and athletic circles.

The Alpha Phis this year became the first organization in the history of the University to make a clean sweep of the traditional Homecoming Queen and Float contests. Pat DeViney, pretty Pi Beta Phi candidate, proved to be an excellent choice for Alpha Phi sponsorship as she emerged victorious over seven other candidates in the balloting. To the float committee go our plaudits for their remarkable ideas and work efforts in bringing home a winner.

Highlighting the fall social calendar were the 28th annual Founder's Day banquet, an event of November 2, and the annual Christmas formal. Augmenting the fall program were the traditional round of parties honoring other groups on campus plus several fraternity stag affairs.

Second semester functions found the Spring formal, Bowery Call, and Triad dance occupying prominent positions on the agenda.

Athletically the Alpha Phis stepped off to a good start in competition for the Participation trophy, as they won second place in the fall Interfraternity golf tourney, finishing but two strokes behind the winners. Promising outlooks were extended for the capturing of the trophy as the fraternity shaped available talent into strong contenders for basketball, bowling, and softball warfare.

Improvements throughout the year to the fraternity house were many. Bob OverMan, house manager, supervised the overall program of interior and exterior improvements. Renovation of the large garage into a social room was the major project for the year. Inside, the designing of a chapter room, new furniture, rugs, and the purchase of a fine television set all combined to make the house a more comfortable and enjoyable place in which to meet.

During a busy summer the Alpha Sigs spent considerable time redecorating their house at 328 Winthrop Street. However, it was not all work and no play, for the Sigs as usual had a summer cottage this year at Lake James, Indiana. Brothers from the chapter at Tri State College added to the fun.

With the arrival of September, members put aside their summer activities and once again planned a particularly fine social year. First on the list was a roast given for Delta Delta Delta sorority. Plans were made to fete other campus sororities with parties based on appropriate seasonal themes.

Upperclass rushing consisted of a stag smoker and the Autumn Leaf Dance. Open houses were held after all the T.U. home football games, and were attended "en masse" by the Alpha Sigs and their dates.

The freshman rushing program was a very important part of November. Two stag affairs, and the season's first "Snowball Dance" provided entertainment for the rushees and, of course, actives too.

Highlighting the year's social calendar were the Christmas and Spring Formals carried on in the traditional Sig manner. The Christmas Formal Dinner Dance, held at the Toledo Yacht Club, was truly a gala affair featuring a personal visit from Santa Claus.

Foremost among stag functions was the annual Founder's Day Banquet, December 5th, attended by alumni and actives alike.

Climaxing a colorful year with a Senior Breakfast in honor of graduating actives, the members of Alpha Sigma Phi turned to plans for summer activities.

Greater unity keynoted Chi Beta Chi's program for 1949-50 as the fraternity opened its fall season with a newly decorated fraternity house at 335 Winthrop Street. Many social functions graced the group's calendar. With Open Houses after football games, stag dinners, and singing under the supervision of the new song directors, the men began a full year of fraternity life.

Along with these activities the Fraternity initiated a revised plan for the sweetheart serenades. The chapter chose to select four sweethearts a year and to honor them and their sororities with a party at the fraternity house following each serenade.

The men participated in the Homecoming election and the float contest, another item on their fall agenda. The chapter engaged in a full rushing program feting freshmen and upperclassmen students. The annual "Turn-About" Party climaxed a very active fall program.

The Christmas Formal, at the El Rancho ballroom, which honored the fraternity's seasonal sweetheart, was the biggest affair of the season. Previous to Christmas, fourteen upperclass pledges were initiated into the fraternity. To highlight the mid-season, the fraternity continued to entertain sororities of Bowling Green State University with parties at the fraternity house. The Mother's Tea and the sponsoring of a Toledo Hockey game completed the winter's social calendar.

During the Easter season the third sweetheart was announced and honored at a party at the fraternity house. The Pledge Chapter held it annual All-Pledge Dance and the Pledge-Active Dance. To round out the spring events the fraternity entertained fathers at a Father and Son's stag party. The freshmen pledge class was initiated and twenty new members were admitted into the brotherhood.

CHI RHO NU

OFFICERS

President	Lewis Heldt
Vice-President	Barton Albring
Recording Secretary	Sherman Bunn
Treasurer	Don Messersmith
Corresponding Secretary	James Lupe
Historian	James Keil

The Chi Rho Nu Fraternity began the year with a Back-to-School dance which was held in the Student Union. This dance was closely followed by a hayride and roast. In November, a fine group of eight upperclassmen were pledged. Also in this month three Freshmen Rush parties were held and 21 freshmen were pledged to carry on the fine traditions of the fraternity. Homecoming week was spent in campaigning for our Homecoming Queen Candidate, Lois Kachenmeister, and working on the float. This week was concluded by an Open House.

The most gala social event of the year was the Annual Christmas Formal. It was held on December 27th at the Secor Hotel ballroom. An enjoyable time was had by everyone at a Christmas party given for a group of children from the orphanage.

The twenty-ninth anniversary of the founding of the fraternity was celebrated on February 21st. All men wore the red rose, and the Annual Founders' Day dance was held in the evening. Another event of the second semester was the Spring Formal, the last of the important social events of the year. Two unique affairs were held by the fraternity during the year: the Heifers' Dance, and the Sadie Hawkin's Day Dance with appropriate costumes worn by all. Many other dances were held throughout the year, along with sorority, stag, and card parties to increase the interest of the school year. The fraternity was very active in inter-fraternity sports and worked for the Participation Trophy.

ORDER OF DELTA TAU

OFFICERS

President . . . . . Grover Vellequette
Vice-President . . . . . Jack Boone
Corresponding Sec'y . . . John Schansten
Recording Secretary . . . . . Jack Pflager
Treasurer . . . . . Richard Delcamp
Chaplain . . . . . Basil King

The Order of Delta Tau began its autumn activities October 10 when six neophytes, the fraternity's third pledge chapter, were formally initiated. This followed an upperclassmen's rush party at Howard's Bungalow, arranged by Jack Boone and Conrad Bogusz. Andy Mungons was elected Pledge President and Charles Sackett was elected Secretary-Treasurer.

A gala second annual Founder's Day Banquet at the Stork's Nest, November 10, marked the end of Delta Tau's highly successful second year on campus. The banquet was under the able directorship of Jack Pflager.

Though small in numbers, The Order has proven the age-old adage that it is quality rather than quantity that makes for a successful organization.

Delta Tau then turned its spotlight on freshmen and underclassmen rushing, with parties at O-Ton-Ta-La Grotto, Highland Park Shelter House, and Thompson's Edgewater Inn highlighting the four-week period. Six men formed the Order's fourth pledge chapter. This pledge group held a hayride and roast for the actives and their dates at Pearson Park, which was well attended and enjoyed by all.

Ed Daunhauer was very efficient in his position as Sports Committee Chairman. This year The Order participated in bowling, volleyball, and softball.

Delta Tau again distinguished itself this year by being third highest in the scholarship ranks with an average of better than 1.4 of which The Order may well be proud.

Although the fraternity is the second youngest on the campus, it has been growing by leaps and bounds and possesses a very cooperative group of active members.

The Social Calendar this year was handled by Jack Hughes to whom goes much of the credit for many of the activities and the good times enjoyed by all.

Following through on what by now is approaching tradition, Beta Chi Chapter of Kappa Alpha Psi Fraternity undertook many of its activities with zest and zeal, from the "Get Acquainted Smoker" in September, through the annual November event to raise the chapter's scholarship fund. We went into the Christmas Season by sponsoring, with the Delta Sigma Theta Sorority, a Crimson and Cream Formal at El Rancho Ballroom.

Spring of the year saw the inevitable period of initiation with new members joining the ranks of old timers. The basketball team was quite active, and entertained several other chapters—playing games both at home and on out-of-town floors.

Kappa Alpha Psi has as its beacon one idea—that of ACHIEVEMENT. It strives to unite large numbers of men in various places, vocations, and stations of life, having in common some similar experiences, tastes, and ideals, into one great fraternal bond. It further strives to make permanent and perpetual college friendships which cheer and illuminate the lives of members through all their future years.

Kappa Iota Chi Fraternity got off on its 28th year on campus with its usual full schedule of social and athletic activities. A roast was held in September to initiate the school year.

Rushing began in November with a stag smoker at the Hillcrest Hotel Tower Room. Next came the "Rushee Romp" and another stag smoker held at the Student Union. Upperclassmen were taken in as honoraries and the pledge chapter was formed early in December.

During Chirstmas vacation a winter formal was held at the "Top of the Marks" with a large turn out of pledges, actives, and alumni. The dance was followed by another affair on New Year's Eve.

Late in January the pledges were given an opportunity to put on a show for the actives. In February the fraternity participated in College Night.

The "Sport Shuffle" dance was held in the Student Union, and during spring vacation a fraternity bowling tournament was held at the Bowl-O-Drome in which the actives, pledges, and alumni all participated.

In May the Founder's Day Banquet was held at the Northwood Inn. Pledges were then formally inducted by initiation ritnals. Later that month the actives and alumni got together for the annual picnic and baseball game.

The Fraternity ended the school year with a Spring Formal at the Maumee River Yacht Club.

Kappa Iota Chi found the 1949-1950 year successful in every field. The fraternity endeavors to bring out individual abilities of each of its members in order to promote the best interests of the fraternity and the University.

LAMBDA CHI

Lambda Chi headed into this, its 26th year, with flying colors. A card party got the fall season off to a good start, and immediately the boys began to work hard on a float for the Homecoming parade. The news of winning the Inter-Fraternity Scholarship trophy for the fifth consecutive time was gratifying. This gave the Elsies permanent possession of the award.

A significant event of the first semester was the presentation of the J. Nathan Eiser Memorial Scholarship by the Lambda Chi Alumni Association to one of last year's outstanding freshmen. The scholarship is in honor of the former Lambda Chi president who died in service.

The rushing period then began, and was heralded by a "bang-up" barn dance and smoker for the prospective pledges. After this, the actives relaxed from the duties of rushing by throwing a theatre party, and the members and their dates attended the University's production of "Candida" en masse.

The annual Alumni New Year's Eve party greeted the holiday season along with a stag party which left nothing to be desired.

The advent of the second semester was greeted by several informal affairs. The pledge dance, with its all-pledge floor show was one of the leading affairs of the early spring season.

The most significant event of May was the 26th annual Founder's Day banquet, at which next year's officers were installed and the new members formally initiated.

The outstanding social function of the season, the Spring Formal, was held in June. At this time keys were given to the graduating seniors of the fraternity.

The year was rounded out by making plans for the summer picnic to be held in August in conjunction with the Alumni.

The past year has been one of successful activity for the Phi Kaps. The year was opened with a complete renovation and redecoration of the fraternity house. During the football season there were many open houses and activities following the football games, for the Phi Kaps and their dates.

Homecoming social affairs were well attended this year. At the same time, Phi Kappa Chi, which is the oldest fraternity on campus, celebrated its 35th birthday with a big three day weekend. This included a fraternity general meeting, smorgasbord at the fraternity house prior to the Homecoming Game, and a party for alumni and actives at the house afterwards.

Phi Kappa Chi sponsored Pat Dressel for Homecoming Queen and Bonnie Whately for Glass Bowl Queen. Both girls are Chi Omegas.

A successful rushing period was climaxed with a "Come and Get Well" party and the induction of a large pledge class. The 35th annual Christmas Dinner Dance was held in December at the Manmee River Yacht Club.

At the beginning of the first semester, Phi Kappa Chi installed Mr. Richard Pheatt as a Junior Advisor. Brother Pheatt was a member of Phi Kappa Chi almost 20 years ago. The Phi Kaps, alumni, and actives also honored Dr. H. H. M. Bowman, who celebrated his 30th year as a Senior Advisor, with a dinner and a token of their esteem and appreciation for his efforts in promoting Phi Kappa Chi.

During the second semester the Phi Kaps had many parties for the various sororities, including Chi Omega, Delta Delta Delta, and Pi Beta Phi. An important social event was the annual Triad dance in conjunction with Alpha Phi Omega and Sigma Beta Phi.

Phi Kappa Chi again finished near the top in Inter-Fraternity athletics.

The year was climaxed by election of officers and the Spring Formal in May at the Catawba Cliffs Beach Club.

Pi Rho Sigma got off to a good start this year with a "Kick-off Party" which was held in the Student Union.

Homecoming Week with its exciting festivities, float building, and football game was a very busy and memorable one. The annual Halloween Party, to which the alumni were invited, climaxed the weekend.

Six upperclassmen were pledged, and then freshmen rushing came on the scene. The prospective pledges were entertained at two stag smokers. Rushing closed with a Barn Dance which was held at Hausmann's Barn near Petersburg, Michigan.

This year Pi Rho Sigma Fraternity observed the fifth anniversary of its founding. It was on this day, November 10, that all hands present watched the little birdie above the yearbook photographer's camera. See those nice white carnations in the photo?

Being well-stuffed with that good Thanksgiving turkey, the brethren next focused attention upon the festivities surrounding the Glass Bowl Game. Miss Rose VanDorp was sponsored as a candidate for Glass Bowl Queen.

The Christmas spirit came tripping along almost on the tail-feathers of that turkey. During the Holiday vacation Pi Rhos were busy with Christmas work and several informal socials. The Mothers' Club of Pi Rho Sigma sponsored a family Christmas Party.

The second semester brought many required constructive tasks for the pledges. After the rigorous indoctrination was completed, the pledges were formally initiated in the Spring.

The school year closed with the annual General Fraternity Banquet and the fifth annual Commencement Ball honoring the Fraternity's graduating seniors.

Sigma Beta Phi Fraternity began its activities this year before school, with a cottage at Lake James. With the coming of football season, open houses were the occasion for much dancing, cards, ping-pong, langhing, and singing. A Gypsy Party, planned by social secretary Galen Vogelsang, was a highlight at this time, with the gaily garbed brothers and their dates taking a peek into the future via three "real" fortune tellers.

Much of the members efforts this fall were bent toward Homecoming and rushing. A very spirited election for Homecoming Queen saw ours, Betty Gerken, nearly winning; and our "Rock 'em Rockets" float drew much favorable comment. Rushing, immediately following this, was climaxed with the traditional Shipwreck Party and the installation of pledges.

During the holiday season the brothers got a kick out of entertaining a young group of orphans, with Dick Ligibel acting as Santa and presenting each of the youngsters with a gift. December 29th, found them at their annual Christmas Formal, renewing old acquaintances with the alumni, and singing the "Sweetheart Song," in a circle around those newly engaged and married couples.

The Fraternity seemed headed for its fifth straight Inter-Fraternity Participation Championship, already taking golf, and being in undefeated first place in the volleyball league; Sig Bets also appear to be strong in the forthcoming basketball, baseball, tennis, and ping-pong.

On February 21st, the members wore white carnations, the fraternity flower, in celebration of the founding of Sigma Beta Phi, thirty-two years ago. The day was climaxed with a Founder's Day Banquet with fine food, entertainment by the pledges, and movies. The highlight of spring was the annual Spring Formal with the traditional "Pounding of the Lemon," the induction of deserving Sig Bets into the Society of the Lemons.

KAPPA SIGMA KAPPA

The circumstances which led to the founding of Kappa Sigma Kappa can be traced to 1865, when conditions were so uncertain in America after the disastrous war between the states, that there was very little expansion on the part of the fraternities then in existence. As a result, three fraternities were founded at Virginia Military Institute, Lexington, Virginia. Alpha Tau Omega was born in 1865, Kappa Sigma Kappa in 1867, and Sigma Nu in 1869. In point of age, Kappa Sigma Kappa is among a group of fraternities older than forty founded since that time.

The Ohio Delta Chapter of Kappa Sigma Kappa first appeared on this campus March, 1948. The aims and purposes of this chapter are to develop a spirit of brotherhood, to inspire loyalty to the ideals and traditions of the University of Toledo, and to encourage social, forensic, athletic, and especially scholastic activities.

In August one of our members was sent to the Kappa Sigma Kappa National Convention which was held in St. Louis, Missouri. At this convention our chapter was designated as the group to supervise the installation of any other local fraternity who desires to be affiliated with the national organization. The first such installation was on November 2, 1949 when the local Delta Sigma Kappa Fraternity at Defiance College joined the ranks of Kappa Sigma Kappa.

Social gatherings during the year consisted of hiring a launch and taking a fishing trip on upper Lake Michigan, a pleasant hunting trip to the west, a dance in Fremont, and numerous card parties. Highlight of the social year was the annual Founder's Day Banquet and dance at the Hillcrest Hotel in March.

A bowling team has been our first attempt at entering into competitive sports on the campus. Plans are being made to participate in as many other activities as possible.

LT. COL. DAVID S. DILLARD
Prof. of Military Science
and Tactics

The Reserve Officers' Training Corps unit has been established on this campus since September, 1947. The purpose of the Program is to develop, in a four year period concurrent with the student's normal college education, well-rounded officers for the United States Army Reserve. An additional purpose is the procurement of junior officers for the Regular Army from among the distinguished ROTC graduates who elect to apply for a permanent commission in the Regular Army.

Enrollment in the ROTC is purely voluntary on the part of the student; however, every applicant must meet the prescribed physical and mental standards in order to be accepted in the Program. Students initially enroll for the first two years only and, if they elect, may then apply for admittance to the last two years, known as the Advance Course, or drop from the Program entirely. Cadets who transfer to other universities receive full credit at those institutions for any portion of the ROTC successfully completed locally. Veterans with at least one year's honorable service may be exempted from portions of the first two years of the course.

The curriculum of the post-war ROTC Program embraces an extensive series of both military and non-military courses including modern Infantry Weapons and equipment, International Relations, Law, Administration, Infantry Tactical Training, Logistics, and Command and Staff Doctrine. The University grants appropriate credit toward graduation for successful completion of each semester of the course, and insures that the Program will in no way interfere with the Cadets' normal college education.

On completion of the third year of Military Science, Cadets attend a six-week summer training period, at Government expense and on a Regular Army Reservation. Here, the theory learned during the preceeding three years is put to practical use as a final preparation for the study prescribed for the fourth year.

Tailored officers' uniforms, equipment, etc., are provided without expense to the Cadet. During the last two years of the Program, the government pays every Cadet a monthly allowance, Amounting to about a $600 scholarship.

The Program is conducted and administered by Regular Army personnel as a department of the College of Arts and Sciences. Policies prescribed by Army Regulations and Federal Law are adapted to the local scene by a Faculty Military Affairs Committee appointed by the President of the University.

The Corps of Cadets participate annually in various civic functions and ceremonies in Toledo and at the University. A Chapter of the National Society of the Scabbard and Blade is established in the unit. Social functions of the Corps include the Annual Military Ball, an outstanding event in each year's social season.

SOCIETY

ACTIVITIES OF THE JUNIOR CLASS

After a heated campaign Jack Braddock was elected president of the Junior Class. Serving with him were Al Weiss, vice-president; Nancy Brown, secretary; and Pat Warren, treasurer. Representing them on Student Council were Bruce Chambers and Pat Dressel. During the past year Miss Brown was elected honorary captain of the R.O.T.C. military ball, and Pat Dressel was chosen as one of the attendants to the Homecoming Queen, and was also chairman of the University American Red Cross Drive.

Katy Crothers and Jacqueline Velleman were two juniors among those chosen to be included in the publication "Who's Who Among Students in American Universities and Colleges."

Highlighting their year's activities was the annual junior prom, which was held April 15, in the Toledo Naval Armory at Bay View Park. Johnny Long's orchestra played for the dancing. This affair, which was open to all students, afforded an evening of relaxation and pleasure for all those who attended. Bill Cassill and Pat Wilson were co-chairmen. Other committee members who helped make it a success were Marilyn Abrahamson, Larry Andrews, Joan Brewton, Don Christenson, Joe David, Pat Hanley, Ruth Hawkins, Bill Ludlum, Marcia Pair, Emil Reisner, Dick Ruehlin, Joe Simons and Pat Valois.

Left to right—Braddock, J.; Warren, P.; Brown, N.; Weiss, A.

SOPHOMORE CLASS

Left to right - Oberle, P.; Ansted, M.; Freeman, R.

"It's hard to get back into the routine again" echoed around the halls as usual the first few weeks of school this year, but the sophomore class was busy already because they traditionally open the University social season with the Sophomore Prom. October 11, was the date scheduled for "Harvest Harmonies" based on an Indian Summer theme. The place was the Naval Armory at Bay View Park. Jackie McLain and Bill Zahn were co-chairmen of the affair for which Bob Schinberg's orchestra played and the members of their committee were Grace Yarnell, Chuck Rutledge, Velma Egarius Ruth Launer, Dick Gehring, Carolyn Bittick, Leland Moree, Nancy Prottengier, Barbara Bunting, Bob Feldstein, Jim Farrell and Mary Ann Seaman.

The class chose the following officers to lead them through the year: Bob Drake, president; Marilyn Ansted, vice-president; Peggy Oberle, secretary; Bob Freeman, treasurer; Ruth Crockett and Ray Gosciniak Representatives to Student Council. Since the President did not return to school this year, the remaining officers took full charge and had a very successful dance. In Student Council, Ray Gosciniak was sergeant-at-arms and Ruth Crockett served on different committees such as the "Let It Grow Joe" campaign to improve the lawn. When Gosciniak was ineligible this 2nd semester, Bob Freeman was voted to take his place.

We could proudly name five outstanding sophomores in grades, receiving all A's. They were Carolyn Bittick, Bob Chapman, Samuel Dickey, Thurayne Thomas and Bill Winslow.

Despite getting their studies done and achieving scholastic attainments, many sophomores have participated in extra-curricular activities and have worked hard to improve the school. The class of 1952 will go on to attain greater things in their remaining two years, to leave their mark in the parade of time at the University of Toledo.

HAWAII

FRESHMAN CLASS

Left to right—Benson, B.; Houser, P.; Blackwell, V.; Osborne, D.

The Freshmen enthusiastically started their first year of college life with the exciting election of officers and council representatives. The young politicians went through primary and final elections with the following candidates successful: Dean Osborne, president; Bill Benson, vice-president; Pat Houser, secretary; Virginia Blackwell, treasurer; Peggy Vogelsang and Larry Leake, Student Council representatives.

"Mid-Year Magic," the Freshman Prom, was the important project of the cabinet. They appointed Marylou Carl and Ninde Lawson, co-chairmen; Jeannine Noree, publicity; Joanee Douglas, decorations; Shirley Schnell, programs; Duane Tovey, orchestra. The dance was held at the Naval Armory between semesters.

The class officers also planned a Variety Show to be given in the spring. Vendura Rotondo and Beryl Christlieb were appointed to make the arrangements.

Barbara Price and Margiejean Vallequette were honored at the annual Smarty-Party given by the Peppers for having a 3. grade average.

HOME

Alpha Phi Omega fraternity predicted Oklahoma would "be surrey" with this old fashioned float, consisting of a fringed surrey and Indians. The prediction came through and so did the float with first place prizes.

Alpha Phi Omega National Service fraternity successfully crossed the finish line with this familiar tepee-town scene. The Rockets did "scalp the chiefs."

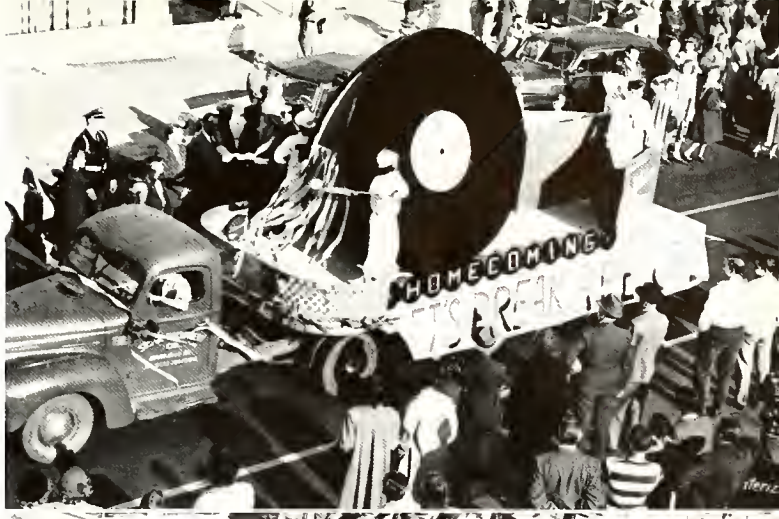
Kappa Delta sorority's bier didn't dampen the spirits of the T.U. spectators. The funeral dirge, rendered by a KD, made this float a tuneful entry.

Chi Beta Chi fraternity "calculated" a T.U. victory in Coach (Prof.) Stahley's classroom. The Rockets "slid" across the field with the results.

Alpha Sigma Phi fraternity planned a disastrous end for the Oklahoma Chiefs. The smoke coming from the rocket added a realistic touch.

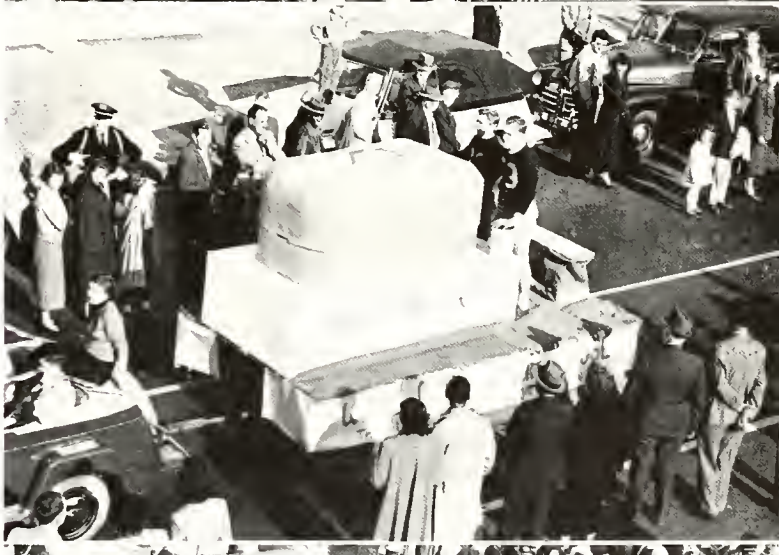
COMING

Chi Omega sorority entered this tuneful "record breaker." The Chi O's took second place honors with this float.



The American Society of Civil Engineers practiced what they preach with this entry. They gave a modern, scientific touch to an old practice.

Pi Rho Sigma fraternity "put the pressure" on Oklahoma with this float. The spectators seemed to enjoy the contents of the cooker.



Zeta Tau Alpha sorority gave an original twist to a familiar scene. The spectators chuckled a familiar chuckle as they recognized it.

Alpha Omicron Pi sorority offered the AOPi rose to the Homecoming celebration. The AOPi's colorful arborful took third place.

SIDE SHOW

GLASS BOWL
1949

The fourth annual Glass Bowl game was marred only by the Cincinnati Bearcats clawing the Rockets to a 33-13 loss. The color and excitement, however, was not disturbed by this first loss.

Magic in miniature was the theme of the halftime ceremonies when Queen Dolores Welber emerged from a doll house with the aid of a magician's wand. Her court was composed of Mary Francis Dolan, Rosalyn Grothjan, Lois Kackenmeister and Pat Valois. Mayor Michael V. DiSalle crowned the queen.

At halftime, Lee Pete, TU Rocket, was awarded the Toledo Blade trophy for the "Most Valuable Player" in the 1948 game.

Toledo high school bands once again presented a mass musical program.

Since Wayne Kohn, a former University student, conceived the idea many Toledo industries and civic minded organizations have contributed to make it an outstanding Toledo event.

COACHES

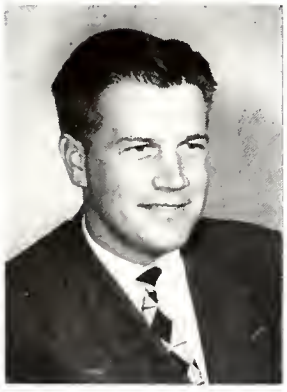
J. NEIL STAHLEY

Skip Stahley, a native of Lebanon, Pennsylvania came to Toledo in 1948, and this year coached his second season of football at the University of Toledo. Stahley was graduated from Pennsylvania State in 1930, and received a master's degree from Columbia University in 1934.

Stahley has coached at Delaware, Brown, Harvard, and George Washington Universities. He headed San Diego Navy teams when he was in the service, giving him a total of nine seasons of head coaching.

JOHN PATTEE

John Pattee, who aided Stahley in his coaching duties, came here with Stahley in 1948 to serve as the Rocket backfield coach. Before joining the Toledo University staff, he was head coach and mathematics instructor at Torrington, Connecticut, High School. He played three years varsity football at Brown University and was assistant to Stahley at Brown in 1941. He has received many achievement honors in athletics including the winning of 10 letters in high school, being Rhode Island's Outstanding Athlete in 1939, and being on Collier's All-American honor roll in 1943. He is a native of Barrington Rhode Island.



JOE McMULLEN

McMullen joined the Toledo University staff last March to succeed Jim DeAngelis as line coach. McMullen, who is 24, is the youngest of the Toledo coaches. He served as junior varsity coach at Brown before coming here, played tackle under Stahley at Brown in 1943, and was a teammate of Pattee.

McMullen was graduated in 1945 under the Navy's V-12 program with a bachelor's degree in naval science. He returned to Brown after the war and earned a bachelor of arts degree in mathematics in 1947.

TU 26 — Loras 35

The Duhawks of Loras scoring four TD's in the first half downed the Rockets in the inaugural game of the season. The Hawks maneuvered a smooth ground game while the Rockets, with Lee Pete's potent arm, took honors in the air. Emerson Cole started out the year with a bang piling up the most yardage for TU by rushing, while George Miley gave a fine show of fancy running. The local eleven had tough luck on fumbles and the defense was at best spotty. The chief opposition was provided by the Duhawks elusive seatback Marc.

TU 11 — John Carroll 28

The Bluestreaks put on the steam right after the opening gun to take a 21-0 lead at intermission. The Rockets bounced back strong in the second half to throw a scare into the Clevelanders, under the field management of quarterback Bill Johnson. An interception by Jim Gasiorowski set up the second Toledo score. Cole's bruising rushing style took him over the last white line for both TU tallies. In the dying minutes when the line weakened and several of Johnson's pass attempts were blocked, all hopes faded. The rally had come too late to prevent TU's second defeat of the year.

TU 20 — BG 19

What a thriller! The Rockets started the scoring and after that it was one for one. Great defensive and offensive play by both teams made this really a tight game. It was the talented toe of Don Martin that gave Toledo revenge for last year's defeat. This effort was almost thwarted by the superior play of BG's great fullback, Jack Woodland. During the nerve-wracking last minutes of play, a "stone wall" defense was thrown against the Falcons for three downs. The game ended on the three yard line and the Falcons had lost their golden opportunity. Miley, Cole, and Willi Han carried the brunt of the TU offense. Unexpected and unearned was one of BG's scores due to the blocking of Jim Hays by Field Judge Clymer.

TU 14 — Dayton 47

The fourth game found TU traveling to Dayton to be handed their most overwhelming defeat of the year. The locals were completely outclassed as they lost this hard fought bruising battle. The magnificent offensive style of Emmie Cole was the only Rocket consolation as they absorbed a lacing at the hands of Ka Ne and company. Cole's display of ability in this game, as in others, carried him to all-Ohio honors.

TU 42 — Springfield 14

The Stahleymen had power and deception to spare against the Maroons of Springfield. Especially effective were the Rockets in their passing game, which netted them 200 yards via the aerial route. Jimmy Hays outstanding job of skirting the ends and receiving passes chalked up three TD's for the Blue and Gold. Jerry Palmer's fine work at left end rewarded him with a six-pointer.

TU 48 — Oklahoma City 7

The Rockets were wearing the war bonnet as they trounced the Chiefs before a capacity Homecoming crowd. Miley scored the first touchdown of the evening behind beautiful blocking when he squeezed through center for ten yards to score standing up. From then on it was the passing of Pete and Johnson and the running of Miley which made the 41 point difference in the final score. Added inspiration was furnished by the Homecoming Queen, pretty Pat DeViney, and her court attendants. The Greeks and other campus organizations provided floats for a parade during halftime. The returning alumni viewed a well polished Toledo grid-machine at its best, and were well satisfied with the final outcome.

TU 37 — Wayne 7

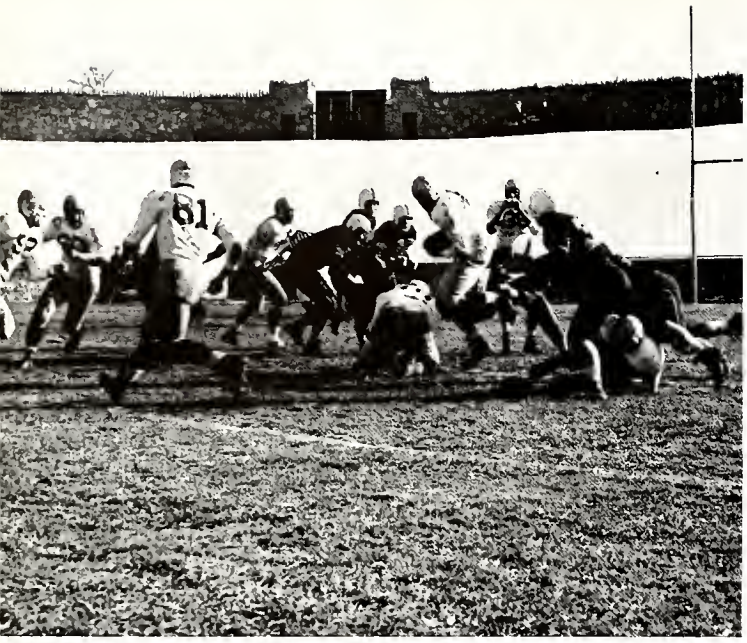
The battle-cry, "win for Skip" rang out as Toledo's coachless Rockets moved into Detroit to face a long standing opponent, Wayne. Coach Skip Stahley's stay in the hospital was shortened by the news that his system had worked once again and Toledo had emerged victorious 37-7. Not only the score but the statistical data of the game had proven Toledo by far the superior of the two teams. Frequent penalties failed to slow down a potent Toledo offense sparked by Emmie Cole's 18 points. This game pushed Toledo over the .500 mark and pointed them to a successful season.

TU 56 — North Dakota 6

With their offensive machinery in high gear, the Rockets of Toledo racked up 8 touchdowns and 8 conversions to amass their highest point total of the year against the hapless Nodaks of N. D. Slashing line play and an alert pass defense allowed the Dakotans to score but once and kept the ball in the hands of the Blue and Gold most of the evening. Emmie Cole again led the offense, netting 230 yards in 15 tries. Carl Tepe added a touchdown to his standout performance in the line by intercepting a pitchout in the Sioux backfield.

TU 48 — New Hampshire 14

Scoring 5 touchdowns in the first half, Toledo marched to an easy 48-14 victory over New Hampshire University. The Blue and Gold was sparked by another outstanding performance by Emerson Cole, who scored two touchdowns in the first quarter. By halftime the game had turned to a rout and the Rockets coasted the last two periods.



TU 13 — Cincinnati 33

Led by pint-sized halfback Gene Gibson and quarterback Tom O'Malley, the Cincinnati Bearcats smashed the Toledo grid-machine asunder in the 4th annual Glass Bowl Game. Cincinnati scored 15 points before the Rockets managed to obtain a first down. Local fans were given a lift when Cole crashed over from the 8 to make the score 15–6 at half-time. Gibson personally blasted Toledo's hopes in the third period with a pass interception and a punt return of 76 yards, good for 6 points. Lee Pete, who received the Outstanding-Player Award for the Bowl game in 1948, sparked the last Toledo drive which was climaxed by George Miley's two yard plunge into the end zone.

Out-manned, but not out-fought, the Rockets gave a good account of themselves against a superior foe for a fitting climax to a successful season under Coach "Skip" Stahley.

6th place, Ohio State Meet

GOLF

Ed Saxer replaced Jerry Bush as golf coach last spring, and proved his ability when the smooth-swinging University of Toledo golf team compiled an impressive 12 win and 2 loss record, which ranks among the best in the University's history. Coach Saxer also coached his six-man squad to a sixth place at the Ohio State Meet at Columbus.

Five lettermen, Bob Anteau, Donald Kennedy, Clarence Pawlicki, John Phillips and Jack Wise formed the nucleus of the 1939 team, and kept the pace of the team successful throughout the season. The team was well rounded out by Jim Fuerst, Ray Lippmann, Jack Ritz and Robert Schlembach.

During the season, the team traveled to Michigan State Normal, Albion, Detroit, Bowling Green, John Carroll, Hillsdale and Western Michigan where they competed with many of the top performers of this sport.

Coach Saxer is a professor of civil engineering at Toledo University and although his only coaching experience came in 1917, when he aided Bill Beach, then head of the Rocket linksmen, he has proven his coaching ability.

WRESTLING

The Rockets newly formed wrestling team, under the expert coaching of Joe Scalzo, finished its first season of inter-collegiate competition with a very impressive record. Their wins were all by a decisive margin, except the match with the University of Michigan, which shows that the team completely out-classed all foes. With most of the team composed of Freshman and Sophomore students, we can look forward to several more years of first class wrestling teams. The records in the next few years should either match or be better than that obtained this year. The Rocket matmen took on opponents such as Bowling Green, Michigan, Western Reserve, Baldwin-Wallace, Case and Akron.

The team was captained by Harry Lanzi, in the heavyweight division, who won the National YMCA and AAU tournaments in 1949, was City Champion in 1949 and 1950, and who won the State championship in 1949. Other members of the team and their titles won are: (121 pounds) Jerry Lichtscien, City title in 1948; (128 pounds) Jack Shire, City title in 1949; (136 pounds) Bill Schmidt, City title for 1950, State-Wide Champ for 1950; (145 pounds) Vito Peragino, New Jersey State in 1948, City for 1950; (155 pounds) Earl Courtright, New Jersey State in 1948, City for 1950 and State Champ for 1950; (175 pounds) Floyd Gadt, City title for 1948, 1949 and 1950, State Champ in 1949. Scalzo's squad was well rounded out by Scott Heddon, Bill Gehring, Frank Baumgardner and Art Jibilian. With this material and the coaching eye of Joe Scalzo, how could they lose?

Ably guided by Nick Beresky, new tennis coach, the University of Toledo tennis team completed their 1949 season with a record far improved over the preceding season.

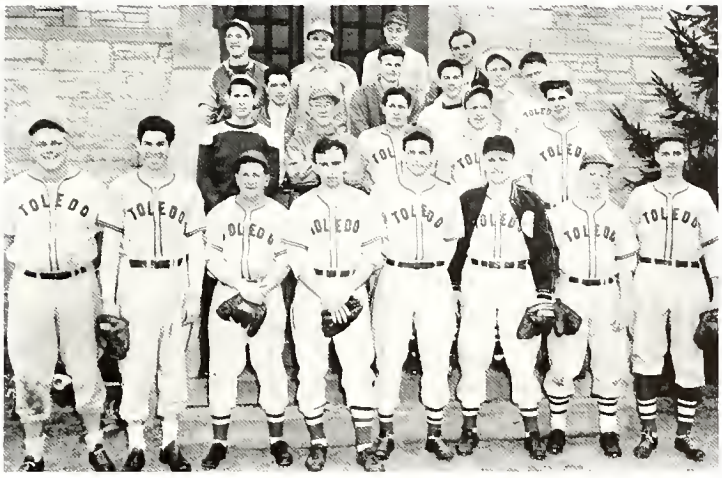
Two lettermen, Jim Foster and Vern Coe, from the 1948 net squad were two of the brighter spots on the 1949 squad, and they were ably supported by several upperclassmen who possessed a wealth of pre-college experience.

Playing from April 19 to June 1, the team traveled to Bowling Green, Albion, Detroit, Michigan State Normal, John Carroll, Baldwin-Wallace and Wayne to compete against the top tennis players of these schools.

Nick Beresky replaced Al Glaser who was also a very fine tennis coach and who lacked material while he handled this position. Beresky serves as a pro at the Toledo Tennis Club and is ranked with the up-and-coming tennis performers of the nation. He has worked under Tom Stow who is rated as the country's top tennis instructor, and is a graduate of Kalamazoo College, Michigan where he won many collegiate and state net honors.

"Who threw that tennis ball?"

BASEBALL



Back Row—Jim Schoonmaker, Don Higley, Richard Johnson and John McGowan. Third Row—David Rose, Don Heidtman, Ken Hutchinson, Ray Miller and Sam Adams. Second Row—Bernard Rice, Coach Dave Connelly, Fred Zittle, Carl Hubscher and Bill Greisinger. First Row—Carl Tepe, Roy Garrett, Jim Snider, Carlo Muzi, Al Turski, Pat Barton and Earl Bryan.

With only four lettermen returning from the 1948 squad, baseball coach Dave Connelly was faced with the tremendous task of replacing both the infield and the outfield with newcomers. Those returning for another year on the diamond included infielders, Carlo Muzi and Ernie Terhune; pitcher, Bill Hill and catcher, Mary Bergman.

The schedule consisted of 15 games with the TU nine traveling to Bluffton, Defiance, Dayton, Bowling Green, Baldwin-Wallace, Ohio Northern and Wayne.

Dave Connelly has been playing and coaching the game since his high school days in East Hampton, Mass. After World War I he broke into professional baseball, playing with more than a half dozen teams in the Virginia, Sally, Central and Southern Leagues. Dave came to Toledo U in 1926 where he received his bachelors degree and started his coaching and teaching career. He has been baseball coach since 1930 at the University of Toledo.

CROSS COUNTRY

Helping the track men keep in condition the year round, was the University cross country team's job. Coach Smith's harriers, captained by Chuck Dawson, were victorious in three meets during the season. In addition to pacing the Rocket runners over the $3\frac{1}{4}$ mile course, Dawson set a course record at Baldwin-Wallace.

1st Row—Jack Smith, Coach; Nichter, D.; Crawford, S.; Dawson, C.
2nd Row—Smerant, D.; Johnson, R.; Szabo, S.; Payne, F.

TRACK

An obviously undermanned University of Toledo track team took to the cinder paths to start another season. The greater portion of the point-production depended on a handful of veterans: Ellis Brown, Chuck Hardy, John Lewis, Dick Witty, Chuck Dawson, Al Stuart, George Miley and Sandy Crawford.

Competing in the middle distances were Szabo and Crawford, while Dawson was the standout in the mile and two-mile runs. Timber-Topper Miley consistently placed in the low and high hurdles.

Brown and Hardy were elected co-captains. Hardy, a dashman, churned the century in 9.9 seconds several times in his four-year career. Ellis specialized in the weight events while "Rubberlegs" Stuart handled the broad and high jumps, both winning numerous firsts in their events. Lewis and Witty handled the field events, with Lewis making a record discus toss at Bowling Green.

TU 44 — Akron 42

The TU cagers overcame a terrific height advantage in their initial contest of the season. George Bush led the scoring for both teams in a relatively clean exhibition game. This win was a feather in Jerry Bush's bonnet, since he once played for the Goodyears.

TU 79 — Adrian 40

Without having to display a great deal of talent and winning plays, the boys in Blue and Gold trounced little Adrian, but good. Lennie Rhodes, playing in the pivot position, netted 17 points in the 20 minutes that he played.

TU 78 — Bluffton 49

After winning from Adrian, the Bushmen were not satisfied, so they went right on to win this second game of a double-header. Bluffton battled Toledo on equal terms for control of the backboard, but Toledo's well drilled club continually pulled out in front with Carlo Muzi flipping in 13 tallies.

TU 73 — Valparaiso 86

The Blue and Gold met their first defeat of the season at the hands of a red-hot Valparaiso squad. The Crusaders gained their margin of victory at the free throw line; meshing 22 free throws to 13 for Toledo. Bob McDonald paced TU's scoring with 17 markers.

TU 70 — Hillsdale 41

In a foul-ridden contest, our Rocket cagers grabbed the lead at the ten-minute mark and were never headed. Using every man on the bench, Coach Bush experimented with different combinations throughout the evening with good results. High scorer for Toledo was George Lindeman with 15 points.

TU 51 — Illinois 67

Once again TU ran into trouble with a Big Ten Quint, although playing on even terms for the first half. Toledo played a zone defense which was tough for the Illinois champs to crack. Seven thousand fans saw Toledo's Carlo Muzi out-running the guards to take scoring honors with 19 points.

TU 57 — Michigan 36

The Rockets bounced back into the win column in great style by playing very cautious ball and breaking Michigan's tight zone defense. After building up a 13 point lead, Toledo put on the freeze for the last ten minutes. Bob McDonald gathered in 15 points with George Lindeman right behind with 14.

TU 60 — Tampa 34

The Floridians just couldn't cope with Toledo's Yankee finesse. The scrappy sophomores from the deep south were completely befuddled by the style of Christensen, McDonald, Muzi and Walker. Coach Bush substituted freely in an effort to keep the Rocket crew ready for the tilt with Eastern Kentucky.

TU 59 — E. Kentucky 52

An upset over the Maroons thrilled 1500 fans in the Field House. Toledo trailed for the first three quarters, but managed to pull ahead with eight minutes left to go. Muzi, Bush, Rhodes, Lindeman and McDonald entered the scoring column with 10 or more points.

TU 52 — Denver 50

The much disputed two-minute rule handed victory to the Rockets in the dying minutes of this point-for-point battle. Toledo scored 24 points on free throws while the Pioneers could only pick up 12 points from the foul line. Bush and Christensen each tallied 9 markers to lead the locals.

TU 49 — George Pepperdine 40

Once again the Rocket's sharpness on charity tosses added a ball game to the win column. Christensen and Muzi both played "headsup" ball and ended up with 16 and 10 points, respectively, to their credit.

TU 66 — Brigham Young 51

Sparked by George Bush, who added 15 points to his season total, the TU eagers maintained control in every department to gain their sixth successive victory. Except for the first minute of the game, the Rockets led all the way maintaining a comfortable margin.

TU 55 — Arizona State 45

Jerry Bush's basketball medicine men brewed a bitter second half defeat for the Sun Devils. At intermission, the game was dead-locked 29-29. When McDonald and Rhodes took over in the second stanza, the local quint pulled away steadily. Bob McDonald finished high may with 13 points.

TU 54 — BG 57

With Jerry Bush's cagers playing host to our perennial rivals from down state, the entire nation heard how the Falcons stifled a last minute Toledo rally for the victory. Basketball's "Big Man," Charlie Share, led the BG quintet while George Lindeman was the consistant scorer for the Rockets, tallying 15 points.

TU 65 — Xavier 56

TU cagers downed Xavier with a 65 to 56 victory. The Rockets got off to a listless start, and were trailing 30 to 26 at the halftime. During the second half, Cal Christensen came through with 10 field goals. It was Christensen's fine shooting from the pivot position that sparked the club to a better performance and victory.

TU 67 — Wayne 50

After starting the game slowly, the TU quintet speeded up and by half-time held a comfortable 11 point lead. The Tartars fell to far superior ball playing as Toledo won game number 12 out of 15 starts. Cal Christensen and George Bush shared scoring honors by netting 14 tallies each.

TU 50 — Loyola 42

The University of Toledo captured its 14th victory of the season by defeating Chicago Loyola 50 to 42, in the second game of a double header in the Windy City Stadium. The game was tied 23 to 23 at the half and was deadlocked six other times during the game. George Lindeman led the TU scoring with 11 points.

TU 74 — Baldwin-Wallace 53

The University of Toledo basketball team handed Baldwin-Wallace its first home loss in 25 outings with a score of 74 to 53. Christensen and Rhodes, TU's two centers, captured the game for the Rockets. Christensen started the game by scoring 20 points and Rhodes added 10 points during the second half to break the game wide open.

TU 66 — Valparaiso 36

A measure of revenge was gained by the Blue and Gold hoopsters as they routed an offensive-minded team that had earlier humbled them, by scoring more points than ever was compiled against a Rocket cage team. Senior, Cal Christensen was the big gun for Toledo, meshing 15 points.

TU 59 — Wayne 45

Muzi and McDonald each tallied 13 points for TU as the cagers conquered their 16th victory. The Rockets rang up a 24 to 10 lead after 10 minutes of playing, so Coach Bush sent in his second team. It was a starvation team for TU could net only four free points during the rest of the half.

TU 59 — LaSalle 55

TU's impressive triumph over LaSalle, at this time holding the ninth place in the National ratings, was nothing short of terrific. Fifty-three personal fouls were called as both teams made this a real thriller by their speed and do-or-die attitude. Flashy McDonald came up with 13 points with Muzi and Christensen right behind with 11 apiece.

TU 50 — Niagara 61

The University of Toledo's basketball firewagon kept pace with a strong Niagara quintet for the first half of a rough contest that saw five Rockets ejected on personal fouls. The Eagles meshed only one field goal more than TU, but capitalized on 32 Rocket miscues. Cal Christensen led the locals with 15 points.

TU 65 — Carroll 50

Few rebounds escaped the Rocket's hands as they conquered another victory. Toledo experienced no trouble in building up and holding their lead against the Clevelanders. They captured a 11 to 0 lead during the first six and one-half minutes and from then on Carroll couldn't draw close. McDonald was high scorer with 17 points.

TU 55 — Washington 41

Washington's crushing defeat by the Rockets again proved the Bush men's superiority on the hardwood. At half-time, the TU men had doubled their opponents score. Cal Christensen's performance was again outstanding as he hit for 17 points and made many good handoffs to assist on other baskets.

TU 58 — BG 55

Over 8,000 spectators were on their feet for most of the 10 minutes of this gruelling battle. Just reversing the statistics of the first game, the Rockets meshed three more free throws than did the Falcons. Hoop-eyed Christensen was spectacular in scoring 21 points while All-American Charlie Share was held to 6 markers.

TU 48 — Xavier 53

A difference of 6 charity tosses spelled defeat for the local club as each team netted 17 goals. Xavier held the game to a slow pace by their cautious, deliberate style of ball. Cal Christensen again reigned as high point man with 22 counters.

TU 52 — Oklahoma City 43

Breaking through a tough defense, the Bushmen drove on to victory in a game which found them outscored in the field, but far superior at the foul line. George Bush led the Toledo eagers with 19 points. This game was the 22nd win against 5 defeats.

TU 62 — Villanova 82

All Philadelphia hailed Paul Arizin after he dropped 33 points through the hoop to defeat the Rockets single-handed. What was expected to be a close contest was broken wide open in the second quarter. McDonald with 16 points and Bush with 15 points were the standouts for Toledo.

TU 85 — St. Francis 73

The final Rocket win ended a brilliant season with what Toledo fans hope is a forecast of things to come. The Blue and Gold led all the way in posting their 23rd win of the season. "Bouncin' " Bob McDonald sparked the way with 21 tallies in addition to being the outstanding floorman on the court.

WOMEN'S SPORTS

THE FEMALE OF THE SPECIES . . .

Hothouse flowers turn into all American girls under the gentle ministrations of the women's physical education department, under whose guidance University coeds become sport enthusiasts, wielding a tennis racket or hockey-stick, slinging a basketball or bowling ball with dead-eye precision, churning the water in a swimming pool or cantering merrily along the outskirts of Toledo. Such cavortings not only prove invaluable figure aids, but are diverting methods of relaxation . . .

WOMEN'S PHYSICAL EDUCATION DEPARTMENT

Progress is the keynote of the Women's Physical Education Department. This department is awake, modern, and always alert to improvements in the sports world. Miss Lamora Mueller, head of the physical education department, with Miss Florence Bernholdt and Miss Mary Spooner, instructors in physical education, have kept the curriculum interesting by offering a wide variety of sports in which the entering University woman may express her individualism.

Physical education courses are conducted on the same basis as academic courses. Attendance, full participation and achievement are expected of each student. The aim of the department is to train each woman in team sports as well as individual activities such as swimming, tennis, golf, badminton and table tennis.

OUR PHYSICAL EDUCATION INSTRUCTORS

Giving most of the lectures in the Women's Department of Physical Education is Miss Lamora Mueller, head of the department. As faculty adviser for the Women's Athletic Association, Miss Mueller sits in on all of the board meetings, elections and assemblies of that group. She is a graduate of the University and received her master's degree from the University of Michigan.

Miss Florence Bernholdt shares with Miss Mueller the duties in the department and the Women's Athletic Association and directs several intramural sports. She was graduated from Teacher's College, Columbia University in New York and received her master's degree from the same institution.

A newcomer to the University faculty is Miss Mary Spooner, who handles the remaining sports for the Women's Athletic Association. Miss Spooner was graduated from the University of Toledo and obtained her master's degree at Teacher's College, Columbia University. She has previously taught at Barnard College of Columbia, the University of Michigan and at the University of Colorado.

WOMEN'S ATHLETIC ASSOCIATION

OFFICERS

President	Mary Anne Papenfuss
Vice-President	Elda Caufflel
Recording Secretary	Glenda Crosby
Reporter	Marilyn Warner

It is the purpose of W. A. A., an extra curricular organization for women, to cooperate with the department of physical education in promoting health, physical efficiency, interest in athletics, social activity and true sportsmanship among women on campus.

Women's athletics are open to all women on campus. The athletic program is composed of group and individual sports, with basketball and volleyball the outstanding group sports, tennis and swimming as the two outstanding individual sports.

RECREATIONAL SPORTS

From February until the end of April, credit for recreational sports in W.A.A. is received for those who play in all the tournament games and who have had four hours of practice for each.

Recreational sports are divided into three groups: Badminton, table tennis and shuffleboard. The most popular of the three seems to be table tennis.

Badminton too is a game enjoyed by all. It tends to lift the atmosphere in the gymnasium when things seem to die down a bit due to strenuous team sports. Probably the most solemn recreational sport of the three is shuffleboard which takes little athletic ability. A watchful eye and accuracy seem to play the most prominent role.

VOLLEYBALL

Volleyball is one of the most successful and exciting sports on campus. The big volleyball season this year was headed by Joanne Ahlfors. Results of the volleyball tournament between sororities and independents indicated keen competition among participants. Tri-Delta won the volleyball championship cup.

Other sororities who entered the tournament were Pi Beta Phi, Alpha Chi Omega, Chi Omega, Zeta Tau Alpha and Alpha Omicron Pi sororities . . . . It was a successful and breath-taking season for all.

BASKETBALL

To start the second semester off with some strenuous exercise came the basketball season, headed by Jeanne Decker. This sport began in January and continued until April. Many participated and finally there were enough for seven sorority, one independent and one freshman team. The independents won in the competition. The tournament was an exciting one with many close games. Old standbys on the court were Mary Jo Feak, Billie Milne, Dorothy Hale, Ginny Haynes and Gaye Finn.

SWIMMING

Independents and sorority groups compete each year for University women's swimming honors. Events are held in speed swimming and diving proficiency. Awards are made on the quality of performance in these events, and also for group participation.

Last spring the annual swimming meet was held at the Toledo Club. Delta Delta Delta sorority won in the competitive meet. This event is one athletic function which all women on campus seem to enjoy. Top honors in the meet went to Barbara Moan and Nancy Butler for diving; Joanne Birkenhamp, breaststroke, Alice Dougherty scully, and Elda Caulfiel, free style and backstroke.

Since the athletic department has no swimming pool on campus, the classes are held at the Y.W.C.A. for beginner, intermediate, and advance swimmers. Second semester life saving is always offered for the more advanced swimmers.

SOFTBALL

Softball always attracts a large crowd. Whether it is spring fever or the bright out-of-doors, many coeds come to try their skill at slinging a bat. The independents and sorority teams once more competed for the championship. Pi Beta Phi won the cup. Home runs were the main topic of conversation between the athletic coeds.

HOCKEY

The hockey season opened the extra-curricular athletic calendar and was enjoyed by all. The team traveled to Cleveland for a weekend of play in the Great Lakes Sectional Hockey Tournament. The distinguished Marilyn Riehl Hockey Achievement Trophy was awarded this year to Mary Jo Feak.

The hockey season proved to be a busy time, climaxed by the annual Army-Navy Day. A banquet was held in the Student Union, at which time new members were initiated and awards given. The alumni were honored at a hockey play day. Cold fall weather did not daunt the hockey players who doned blue jeans and went into spirited play.

ARCHERY

Archery was one of the first individual sports in the fall. The season continued from September to November. Even though cold weather came while the girls were shooting their arrows, they wore heavy clothing and enjoyed the sport just as much as in the warmer weather. Archery is a sport that both young and old can and do enjoy all year long.

TENNIS

Spring will find almost every woman on campus active in one sport or another, but on the whole tennis is the most popular. The swishing of rackets and the whizzing of balls seem to give atmosphere to the sport. Tri-Delta won the championship in the tournament for sorority competition last spring.

RIDING

Riding is a fall sport that is rapidly becoming very popular. The season begins in October and lasts until Thanksgiving. Six hours of riding are required with everyone taking one morning ride together. This year the ride was held at Howard's Stables in Lambertville, Michigan.

GLORIOUS PAST—PROMISING FUTURE

BECAUSE tradition and progress live together in Toledo, the 1950 graduating class of the University of Toledo has reason to look backward with pride and forward with eagerness and hope.

As American cities go, Toledo has a truly significant history. Dating as it does from pioneer times, the city is full of landmarks which revive old memories and remind the present generation of a glorious past.

But there are many modern signs, too, in this bustling Ohio community and we feel we can say, with pardonable pride, that the Owens-Illinois Glass Company is one of them.

Owens-Illinois is equally proud of the fact that Toledo citizens continue to take an active part, as well as a personal interest in this enterprise, which has helped make Toledo the Glass Center of the World.

Many alumni of the University of Toledo are included in our personnel and are doing much to help us solve our everyday problems.
